Hinsdale holds T.V. commercial homecoming

After a furious week of float building, to the theme of TV Commercials, a pep rally on Friday, October 16, officially began Homecoming 1970. Amidst loud cheers of Yeah Rah Rah Rah Devils, football co-captains, Al Fiorentino and Jeff Gabriel, announced the queen and her court of six senior girls. Donna Drummond, Chris Pletcher, Lisa Palmer, Chris Drury, Jenny Mohr as second attendant, Marcia Scott first attendant, and Leslie Blanford was crowned queen.

The day dawned bright and clear with the parade starting at 10 a.m. In the lead was Beth Hoberman, parade chairman, followed by an array of color and noise. Seven floats were officially entered in the parade along with cheerleaders, Pom-Pon girls, yell-leaders, decorated cars, and the HT band. The Sophomores won the class float competition with their "57 Different Ways to Fork York." Juniors captured second place by bringing on the Hellmen and bringing on the best. The Seniors deviled the Dukes with the question, "Are They Soup Yet?", and came in third. Fourth place was taken by the freshmen. Guard put HT in the drivers seat and placed first in the organization float class. A new addition was made to float competition by the Cross Country team with their "Wondermen" float. The returning class members of 1960 were the honored guests of the parade; they held their tenth year reunion during the weekend. Although the Imps dropped the opener to the score of 20-14, the Varsity squad smashed York's Dukes with a big score of 43-6.

Later in the evening, Varsity Club presented the Homecoming Dance, "Land of The Midnight Sun", to the tunes of the Saints 'N Sinners. Couples were treated to a slide show of the Fall Sports Program and activities of the previous week.

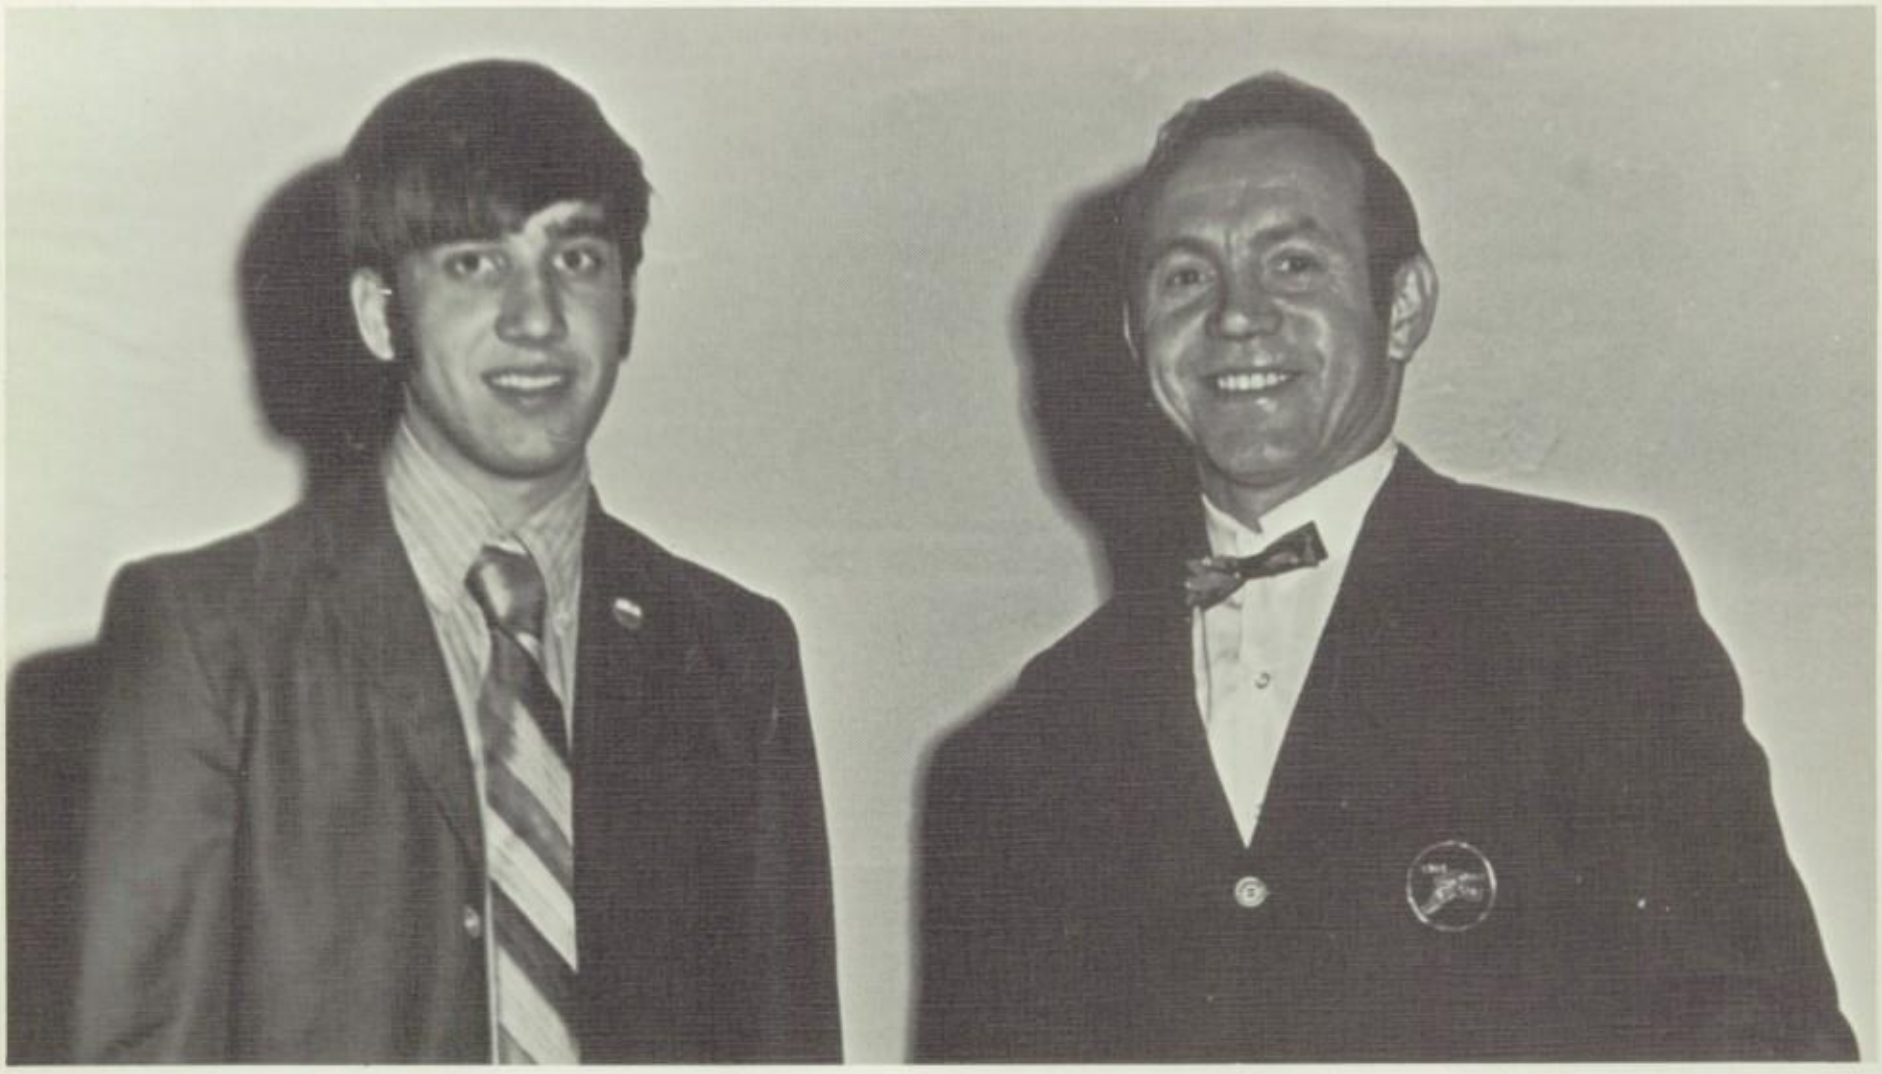
Arnie Knepper pro-racer speaks on auto safety



John Huff, student council president, poses with racer, Arnie Knepper.

Indianapolis 500 driver, Mr. Arnie Knepper, was the October 25th assembly speaker, duscussing Highway safety.

Mr. Knepper stated, "I'd like to change the title from highway safety to 'A Lesson in the Art of Survival.' I'm not a teacher; I'm not a cop; I'm a race car driver."

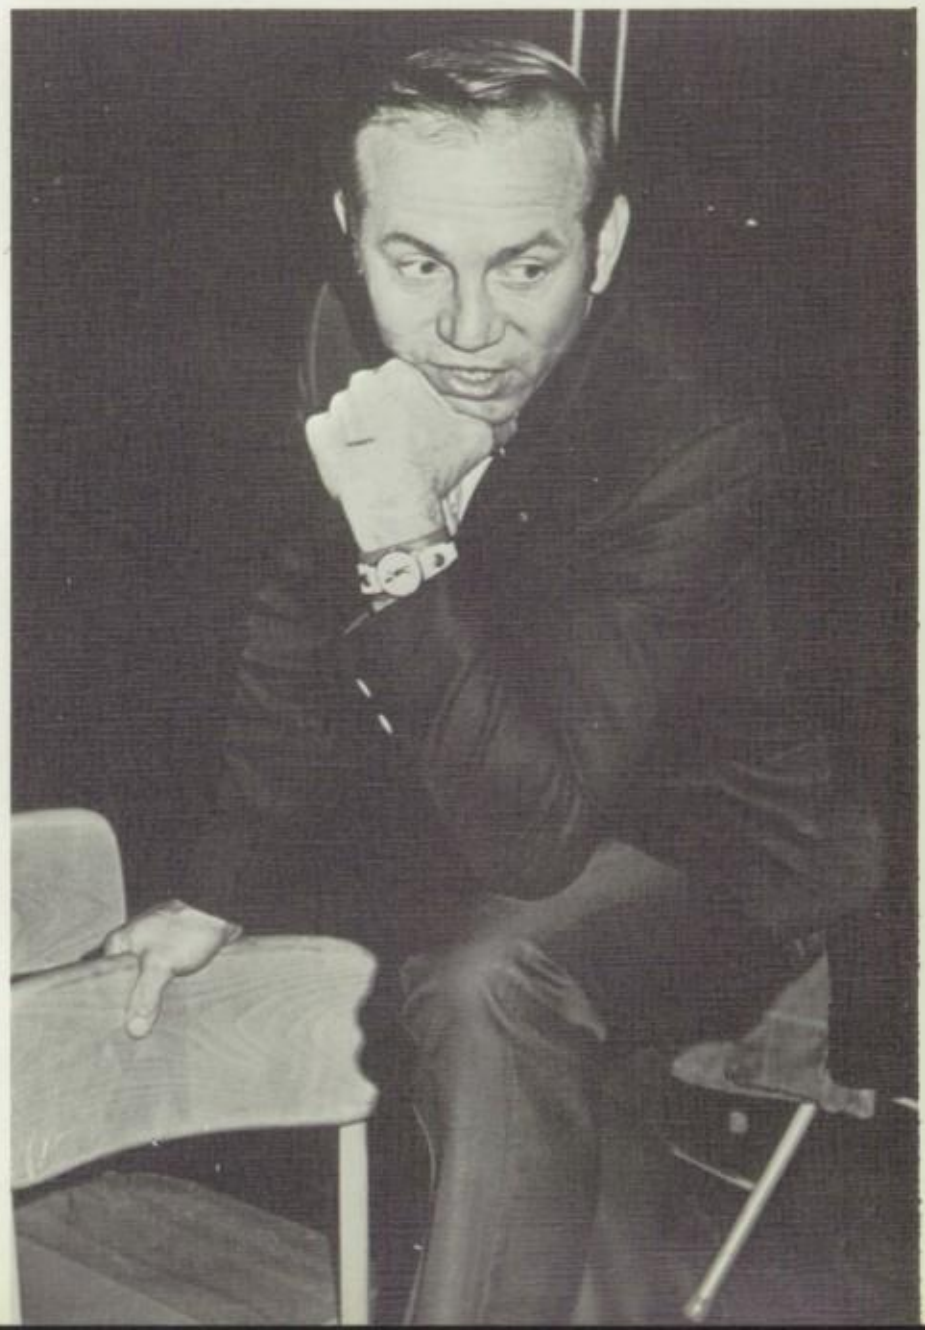
Mr. Knepper's humor and honesty kept the audience alert and interested. He stressed three main factors which in his opinion should be the commandments of a mature driver. They were: courtesy, mental alertness, and wearing the seat belt.

Surprisingly, Mr. Knepper claimed, "As far as adult groups go, you teens score higher in both written and actual driving tests." Yet he pointed out that over half the fatalities that occurred during the past several years involved the sixteen to twenty-five year age group.

Mr. Knepper believed in "watching out for the other guy." "One in fifty cars are being driven by people who are drunk, and one in every twenty is on dope."

Mr. Knepper assured the assembly that every student in the auditorium would have at least one avoidable accident before reaching his twenty-fifth birthday.

Pro-driver, Arnie, pauses for explanation.



Dr. Jack Hyles talks with students after assembly.

Dr. Jack Hyles presents a controversial assembly

On November 5, the usually stable Hinsdale existence was shaken up by Baptist Minister, Dr. Jack Hyles. Dr. Hyles, who was recommended by sources in the community, was to talk on courtesy, love, and reaching out to your neighbor. His talk, however strayed from the approved subjects and became filled with personal observations on impolite teenagers after a number of HT students walked out during some of Dr. Hyles' remarks. The assembly erupted in chaos, and the second had to be cancelled.

After Dr. Hyles had aired his views in the explosive assembly, the students poured out of the auditorium to inform the rest of the school of the incident.

Teacher-student communication opened up and opinions, both pro and con Dr. Hyles and the assembly, were expressed on both sides of the high school fence. A serious re-evaluation of the assembly procedures and methods of obtaining speakers was undertaken by the school to avoid such future confrontations of values.

JoAnne Brough misses beach life in Australia

JoAnne Brough and her family, the Thomas Allens.

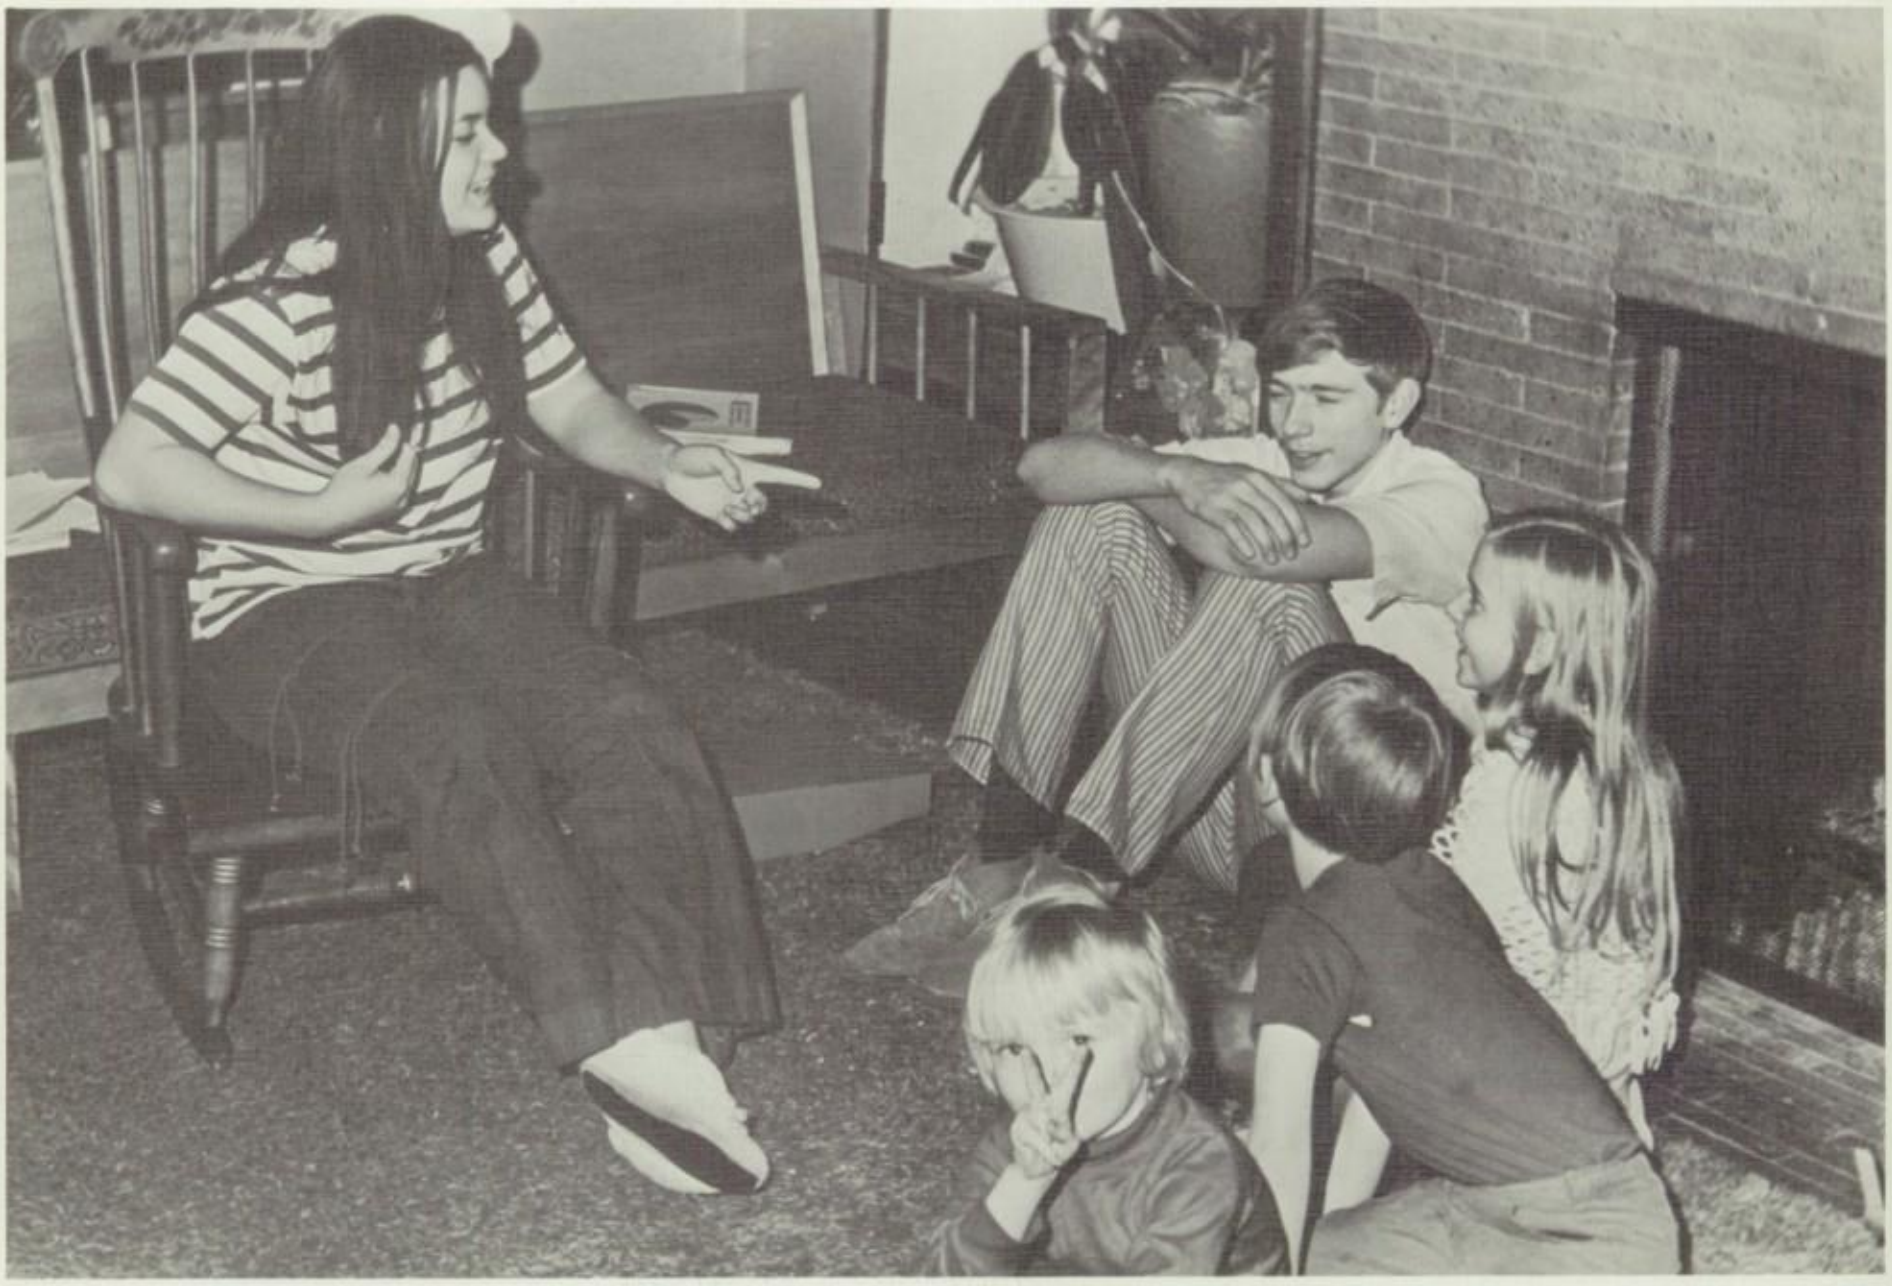
JoAnne Brough, of Mermaid Beach, Australia, on the Gold Coast, missed home. Jo said "I can't get used to being confined inside because of the weather. At home I like to walk along the beach, but here there's no beach!" Jo says at home the winters are warm. She likes our snow though, considering it's probably the first and last time she'll ever see it. "One of the main differences between here and home is that here we don't have to wear uniforms to school." However, Jo adds, at home there is no curfew and no pom-pon girls or cheerleaders. "They'd get booed off the field!" Jo, a Rotary Exchange student, stayed with the Allen family of Hinsdale while their daughter, Nancy, then a junior, stayed with Jo's family, Jo's brother, Grey, won the Bronze medal in the same event that John Kinsella won his silver in the 1968 Olympics. To pass her time here Jo became a Hinsdale Guard and a Candy Striper. Jo's final comment was "we don't have social events at school. We just go to school to learn."

Sergio Bustas and his family, the Winn Danas

Sergio Bustas studies for a professional career

Sergio Bustas was from Bogota, Columbia, and stayed with the Dana family of Oakbrook. He comes from a country of extremes. One half of Columbia is mountainous and barren, the other lush with jungle. Bogota, the capitol of Columbia, where Sergio lives with 3 of his 4 sisters and his parents, lies between the mountains and the jungle in a pleasant valley. At home Sergio attended a private school, with only one thousand students and no elective subjects. At home, Sergio played on his school soccer team and enjoyed listening to music. Sergio hopes to become an engineer or a doctor. Sergio traveled from Bogota to Miami to New York to visit his brother, studying in New York and his married sisters who also lives there. From New York, Sergio traveled to Chicago and finally Hinsdale where he stayed with the Danas till December of 1971.

Donna Hanaike wishes for her home climate



Donna, with the Lewis kids.

Donna Hanaike of Honolulu, Hawaii, comes from a warm climate and a large family. At home, they whip the blankets out at fifty degrees and complain about the weather. As for her large family, the Lewis family has six children. Donna often gets gifts of food from home, which she enjoys and test out on the Lewis family, with whom she is staying. The Lewis' daughter, Nancy, a junior, is staying in Hawaii, attending Donna's old school, Kamehameha. Usually to attend Kamehameha, one must be a certain percentage pure Hawaiian. Donna is 3/8 Hawaiian, 1/8 Chinese and the rest Caucasian. The change from Hawaii and Kamehameha to Illinois and Hinsdale was startling to Donna. Donna said "Weather-wise, everything is totally different. At home in school, the boys must wear uniforms and boys and girls live on two separate campuses. At home, I could go to the beach whenever I wanted to. Here, Mrs. Lewis and family have practically forced the art of macremé on me." Donna now does macremé constantly. All in all, Donna liked it here in Hinsdale, but there is no place like home.

Claudia Peer and her family, the Chambers

Claudia Peer of Switzerland made HT her home

Claudia Peer, of Zurich, Switzerland, stayed with senior Jo Chambers' family. She didn't let herself be caught up in senior slump inactivity or the uncomprending loss of a foreign exchange student in a strange country. Claudia enjoyed the socialization that went on during school, the more or less friendly teacher student relationships, and the students themselves, who she describes as, "independent and friendly". Claudia spent most of her time here absorbing American atmosphere, and attitudes, like the city of Chicago, its people and the music that poured out of Chicago radio stations. Claudia enjoyed our student activities like Homecoming, football games, and the many after school clubs. "I like your cheerleaders and Pom-pon girls. We have nothing like this at home. I like it. I like American Pep", said Claudia. She also appreciated American dating. At home she said, "we all date in groups and go to cafés, skiing, and even movies together."

Claudia felt that she was very aware of HT's school activity and ideals. At home Claudia had two sisters and a brother, Serina, Hadlaina, and Constantin. Her final and best comment on Hinsdale was, "I feel at home here."

Hinsdale is new experience for Marion Wehrle

Marion with the Main family.

Marion Wehrle, who stayed with the Main family of Hinsdale, was from Siegmaringen, Germany, which is just outside of Stuttgart. Her father owns a lithography business and her mother, a naturalized American citizen, had been living in Germany since she was three. Marion, with the Main family, spent Christmas vacation traveling from Chicago to Los Angeles, by camper. She and her adopted family, the Mains, and their two sons, Lou and Dale, visited the Grand Canyon, the Petrified Forest, the Painted Desert, and Hoover Dam during their trip. Marion became very interested in motorcycles, snowmobiles, and model building during her stay here. She found that HT gymnastics was her favorite sport here. Marion was surprised by Hinsdale spirit and event competition. "I think the school is much more organized than at home", was Miss Wherle's most unexpected comment. Marion's closing comment on Hinsdale was "I didn't expect so much here".

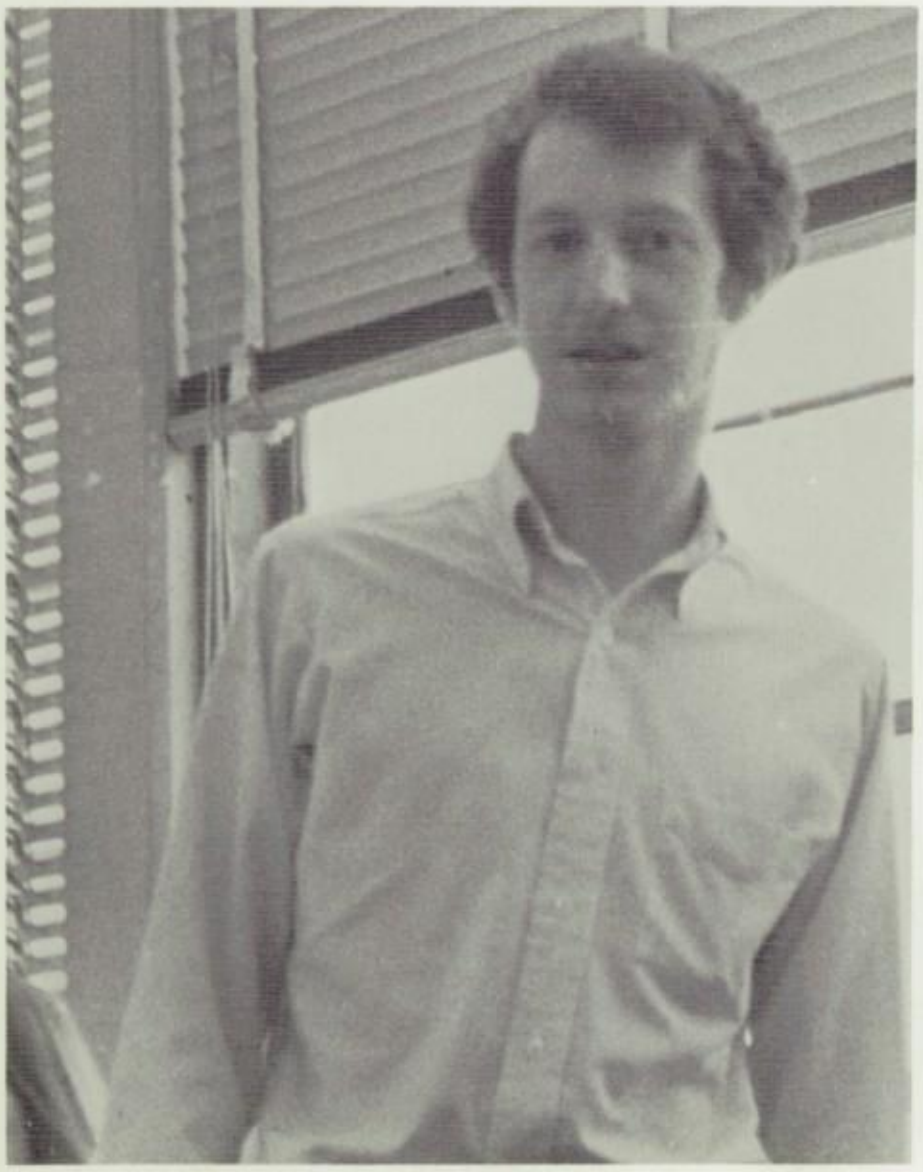
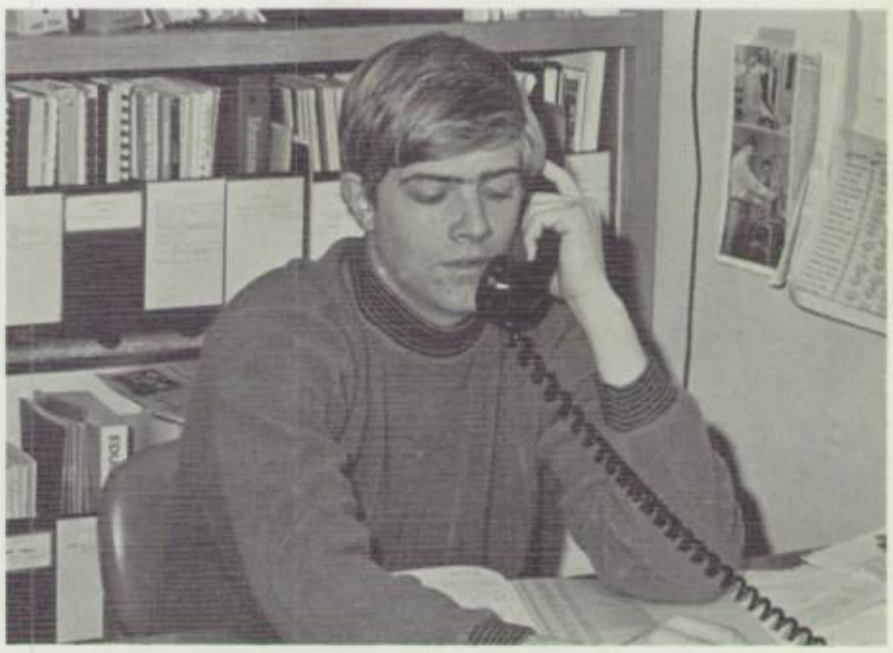
Senate speaks out against apathy, for students





Central's Senate was composed of twenty-four members, six chosen from each class. Elected in the spring and serving a full year term, the Senate tried to work with the administration to achieve student goals. In the 1970-71 year, to fend off rising complaints about student apathy and unnecessary school procedures, the Senate passed the no-pass proposal, sponsored movies, and attempted to improve the usual study hall situation and increase the number of seminars for the student body.

Presidents Council plans for total awareness

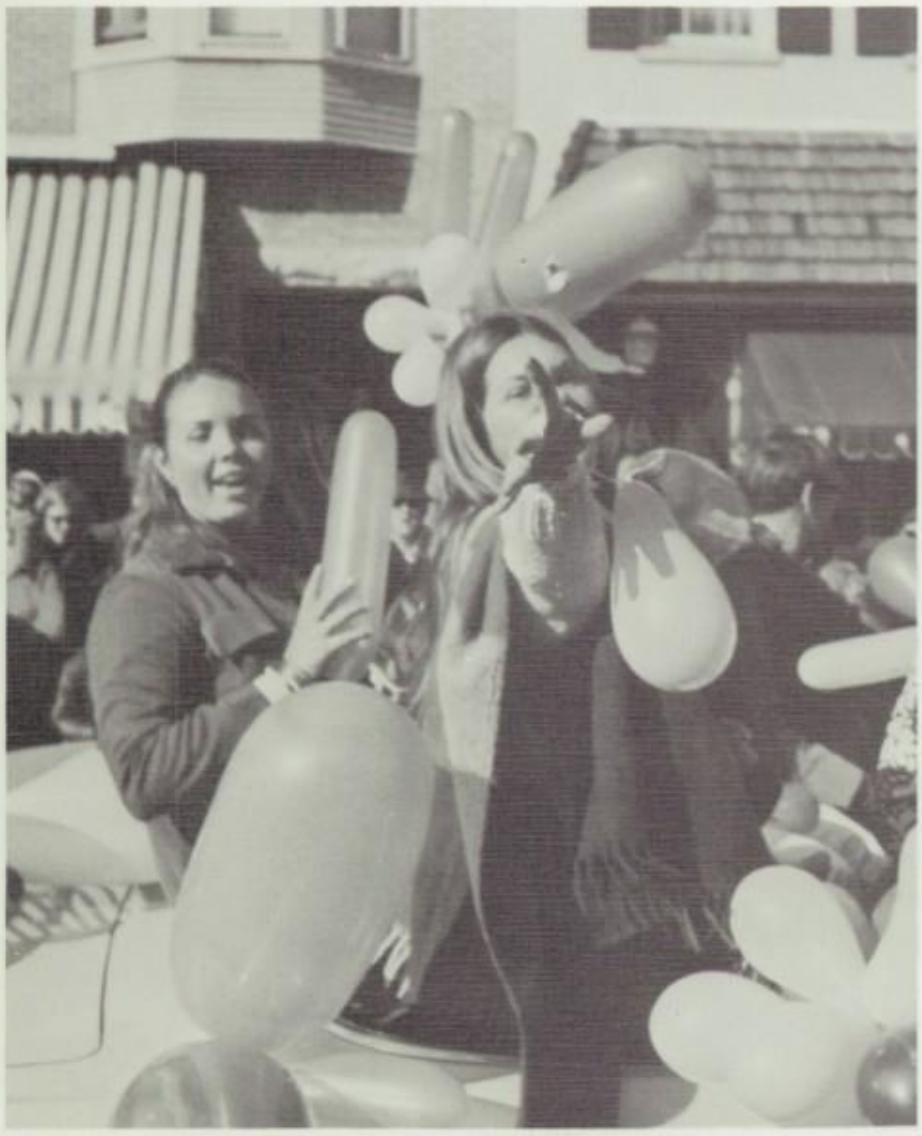
AFS: the youthful ambassadors to our world



AFS, the American Field Service, brought understanding and goodwill in over sixty countries this year. Its purpose, "To strengthen the foundation of peace by promoting insight and understanding among people . . .," was achieved by three thousand exchange students from all countries involved in the program in 1971. Stressing education in all forms and countries, the AFS also presented foreign values and ideals to their adopted homes for acceptance. All AFS students were between ages 16 and 18 and members of their high school's senior class. The AFS paid for plane fare, personal allowances, transportation to their new homes and most medical expenses. The students spent the academic year at their schools and then took a final three week bus tour of the U.S.

Other club activities included: a dinner, Christmas party, and seeing other synchronized swim groups.

The Courier's primary goal for 1970-71 was to once again earn the three first place awards attained by the previous staff in competition at Columbia University, University of Minnesota and the University of Iowa.

The 70-71 Courier staff played a major role in the District 86 referendum by sponsoring various student seminars and following those discussions with a supplement for both students and voters.

In keeping with the times, this year's staff introduced some basic changes to the Courier format. The most notable change was the vertical nameplate which was sometimes used in place of the traditional horizontal nameplate. Revisions were also made in the Courier staff structure during the past year.

First row: Leslie Lillis-layout editor, Joan Sheffer-photography editor, Robin Valle-copy editor, Marsha Boyers-editor, Alvin Johnson-business editor. Second row: Kurt Walters-copy editor. Third row: Hugh Lusted-photography editor.

The eight senior **El Diablo** editors, sometimes aided by their staffs of underclassmen, attempted to show that 1970-71 meant something different to everyone by excluding copy from the opening section and including pictures of subjects not entirely school centered.

Editor Marsha Boyers and her staff made changes which included candid faculty pictures in a reorganized people section featuring seniors first. New this year also were covers of four different colors.

The yearbook staff kept up morale by holding a party after the long, hard work of each of the five deadlines. Consuming large amounts of food and spending many late hours in Room 246, the staff succeeded in establishing a Hinsdale precedent of doing work on time.

Girls Reserves brings happiness to the needy

L. to R. Jeanne Hilts-vice-president, Lisa Evers-social chairman, Mary Kennedy-president, Carol Carpenter-secretary, and Jenny Mohr-treasurer.

Girls Reserves was a service organization whose main goal was to improve the life around them, in 1971. This year the executive board kept the idea in mind that this club wouldn't follow a pattern set for it in 1950. It touches more worlds and lives than only Hinsdale Central.

The board members,thirty girls elected from each class felt that the greatest project this year was one of the five Christmas projects. It has now become an all-year-round program continued by correspondence and more visits. The girls went down to an inner city orphanage and had a fantastic Christmas party with nineteen small boys whose ages were 6-14 years. Also as a community service they sold fire extinguishers during fire prevention week.

In addition to service projects, G.R. presented an annual Girls Reserves formal, Big and Little Sister program, Sadie Hawkins, and the domestic exchange with an Hawaiian school. This year G.R. hosted the Suburban Girls Club Conference, where 125 schools in Illinois and the Chicago area were represented. Mary Kennedy acted as president of the conference with executive board members from other schools.

Girl Reserves hoped that through their efforts they obtained their goal of reaching out and truly being a service organization.

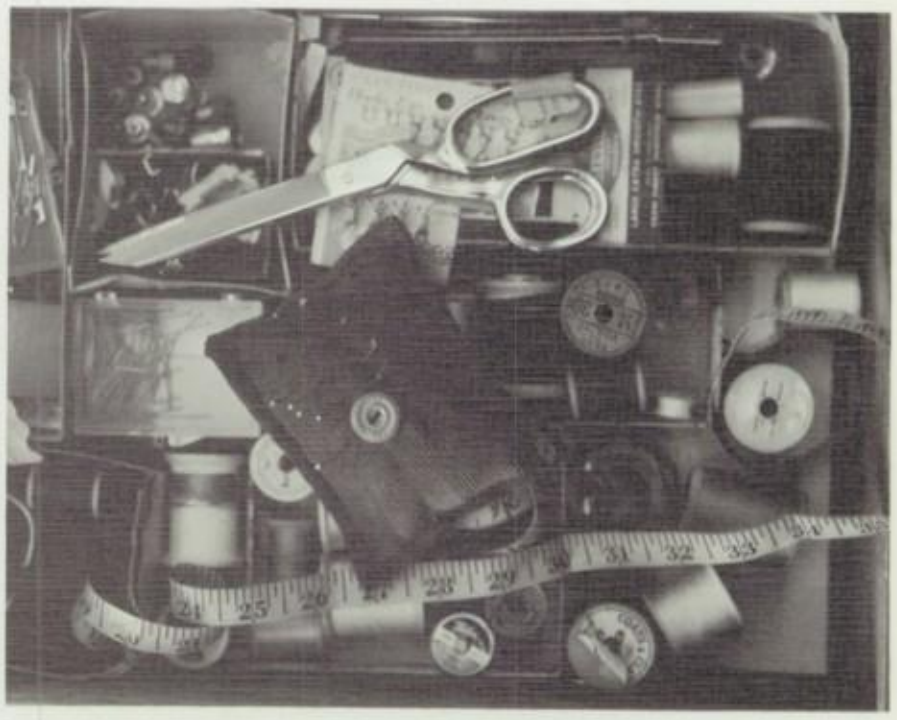
Home Ec Club members work for scholarship

Mrs. Ehrenhart



The Home Economics Club started off the school year with a fudge sale in the early fall. Following this they invited their fathers and had a father-daughter-dinner.

Much of their money was brought in by selling cook books and zip code books before Christmas.

Last spring the club brightened up the children's ward in the Hinsdale Hospital by making stuffed animals. They also contributed sewing supplies to Africa.

The contributions of the members were rewarded by a high-point-dinner at the end of the year. Also one senior of the club was awarded a scholarship for her fine work in the club.

Ton of soap collected in campaign by Key Club

The Key Club's motto was, "We Build". They were building for justice, liberty, democracy, and a better world in which to live. Their main purpose was to develop the leadership for tomorrow while they created a better high school today.

The Hinsdale Central chapter of Key Club was officially recognized internationally, when on, January 5, 1971, Rob Meyer, club president, received the charter from the local sponsoring Kiwanis Club of Hinsdale-Clarendon Hills. One of most successful projects for the club was the Soap Drive. More than one ton of sqap was donated by the school, total number of state institutions.

NHS members help by tutoring fellow students

Left to Right: Rob Cramer, Jeff Gabriel, president, Joan Mack, Bill Parker.

National Honor Society was made up of a group of students chosen by their teachers as outstanding individuals. The kids maintained 4.0 averages and were involved in school activities. Not only did they do good work themselves, but they helped fellow students by tutoring. They did this for free and all anyone in need had to do was sign up for help.

In past years NHS had been in charge of "Book Nook," but this year due to declining interest it was discontinued. Another project of the society to earn money was to sell programs at home football games.

This was the first year for a pollution club at HT. The purpose of the club was to generate interest in ecology here in Hinsdale. Throughout the year the club sponsored recycling drives for magazines and bottles. The big project was the Salt Creek clean-up program in the fall.

HT's WHSD has successful first year operation

Station members, Left to Right: Art Weiss, Dave Douglas, Don Hlinsky, Jim Milio, Bruce Miller, and Brian Torff.

WHSD, our brand spanking new radio station, is headed for great future success. As well as broadcasting from 2:30 to 5:00 in the afternoons, home and away basketball games, news of Hinsdale and the world, WHSD has planned to start broadcasting all throgh the summer of 1971 and expand the following school years broadcast time to most of the day and night.

Don Hlinsky said: "Our station will continue to be mainly a communication system to inform students on what the school board is doing."

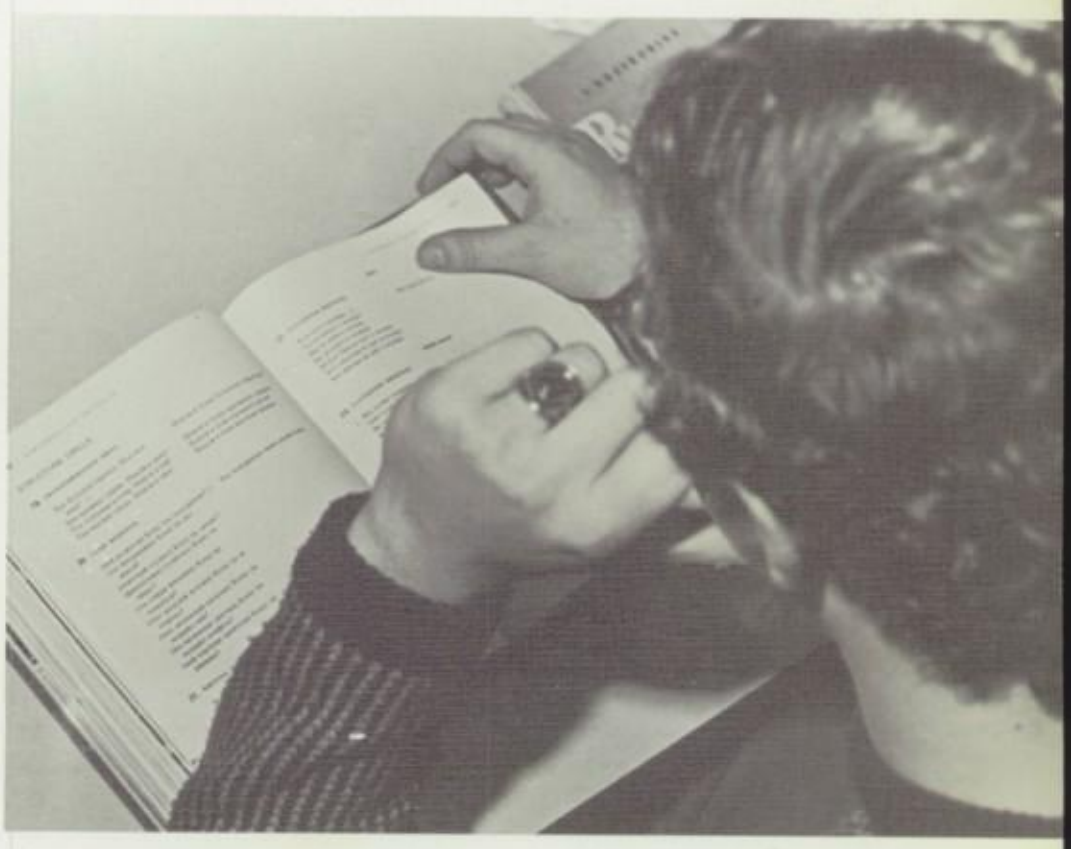
Russian Club takes trip to Moscow Ice Circus



Russian Club promoted a better understanding of the Soviet culture by Hinsdale students. Some of the activities were: Valentine sucker sale, sampling Russian food, and a trip to the Moscow Ice Circus. The club also participated in the state Russian tests. All did well.

Pop, pop, tootsie pop sale with Spanish Club

Left to Right: Dan Downey, v. pres.; and Ann Kurth, pres.

Spanish Club members worked throughout the year to earn money for a trip to Mexico. The trip will not take place for at least another year, but the kids worked with that as their goal. Other club activities were: attending Spanish movies and operas, parties, and a tootsie pop sale.

Sons of Satan "went down to the river" to cheer

Sons of Satan was a boys cheering section that always made its presence known to the crowd. The famous Satan cheer was "I went down to the river." Al Johnson led this group response cheer. The great thing about Sons of Satan was that they brought people together to cheer for the devils.

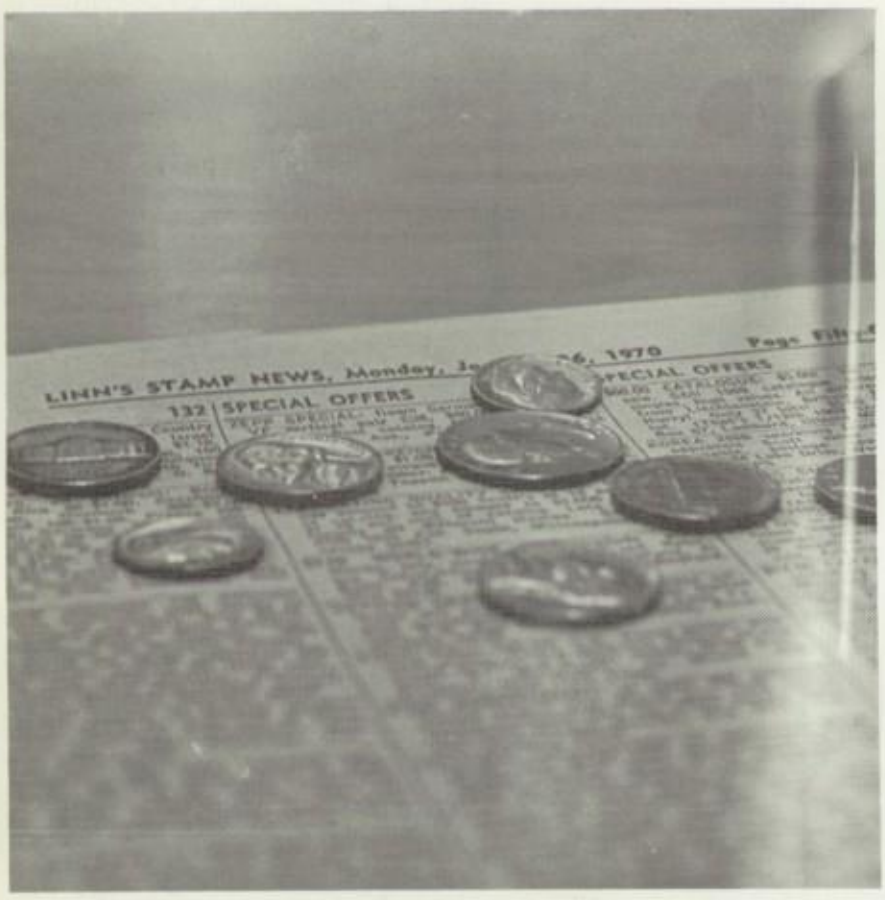
Collectors form club to trade stamps and coins



The HT Stamp and Coin Club was an informal organization of collectors who met to discuss new issues and to trade among themselves. The club had a separate stamp chairman and coin chairman. The sponsor was Mr. Norgaila, a former dealer who gave the members helpful collecting tips and answered questions they had.

Spirit sparked and sponsered by Varsity Club

Third Row: Cindy Allison, Tim Scott-social chairman, Cathy Harris. Missing: Randy Hartanov-vice president, Chris Drury-secretary, Laura Kramer-treasurer.

Varsity Club was one of the only clubs at HT to be devoted entirely to the development of school pep and spirit. Anyone could join the club for twenty-five cents. With a Varsity Club card a student could get a discount on bus tickets for away games.

As an organization it sponsored the Homecoming festivities, pep assemblies, cheerleaders, and buses to away football and basketball games. One of their bigger projects was pep week. Each class was given a winter sport to decorate a hall for, then when finished they were judged and awarded. The week of competition ended in an athletic event, and everyone turned out. Pep week helped everyone pull out of semester test blues and brought the school to life again.

Through year-long efforts Varsity Club held an important place in establishing school enthusiasm.

The House

Frank Halasz and friends at the House.

The Union church owned the house, but let the kids run it the way they wanted to. The House had gotten bad publicity at the beginning of the year. But after things got straightened out the kids came back for another try. It was a good place. People had the chance to create things and communicate with others. Some of the activities offered were pool, a darkroom, movies, music, chess, and speakers. There was no heavy structure and everyone was invited to attend.

Junior Achievement

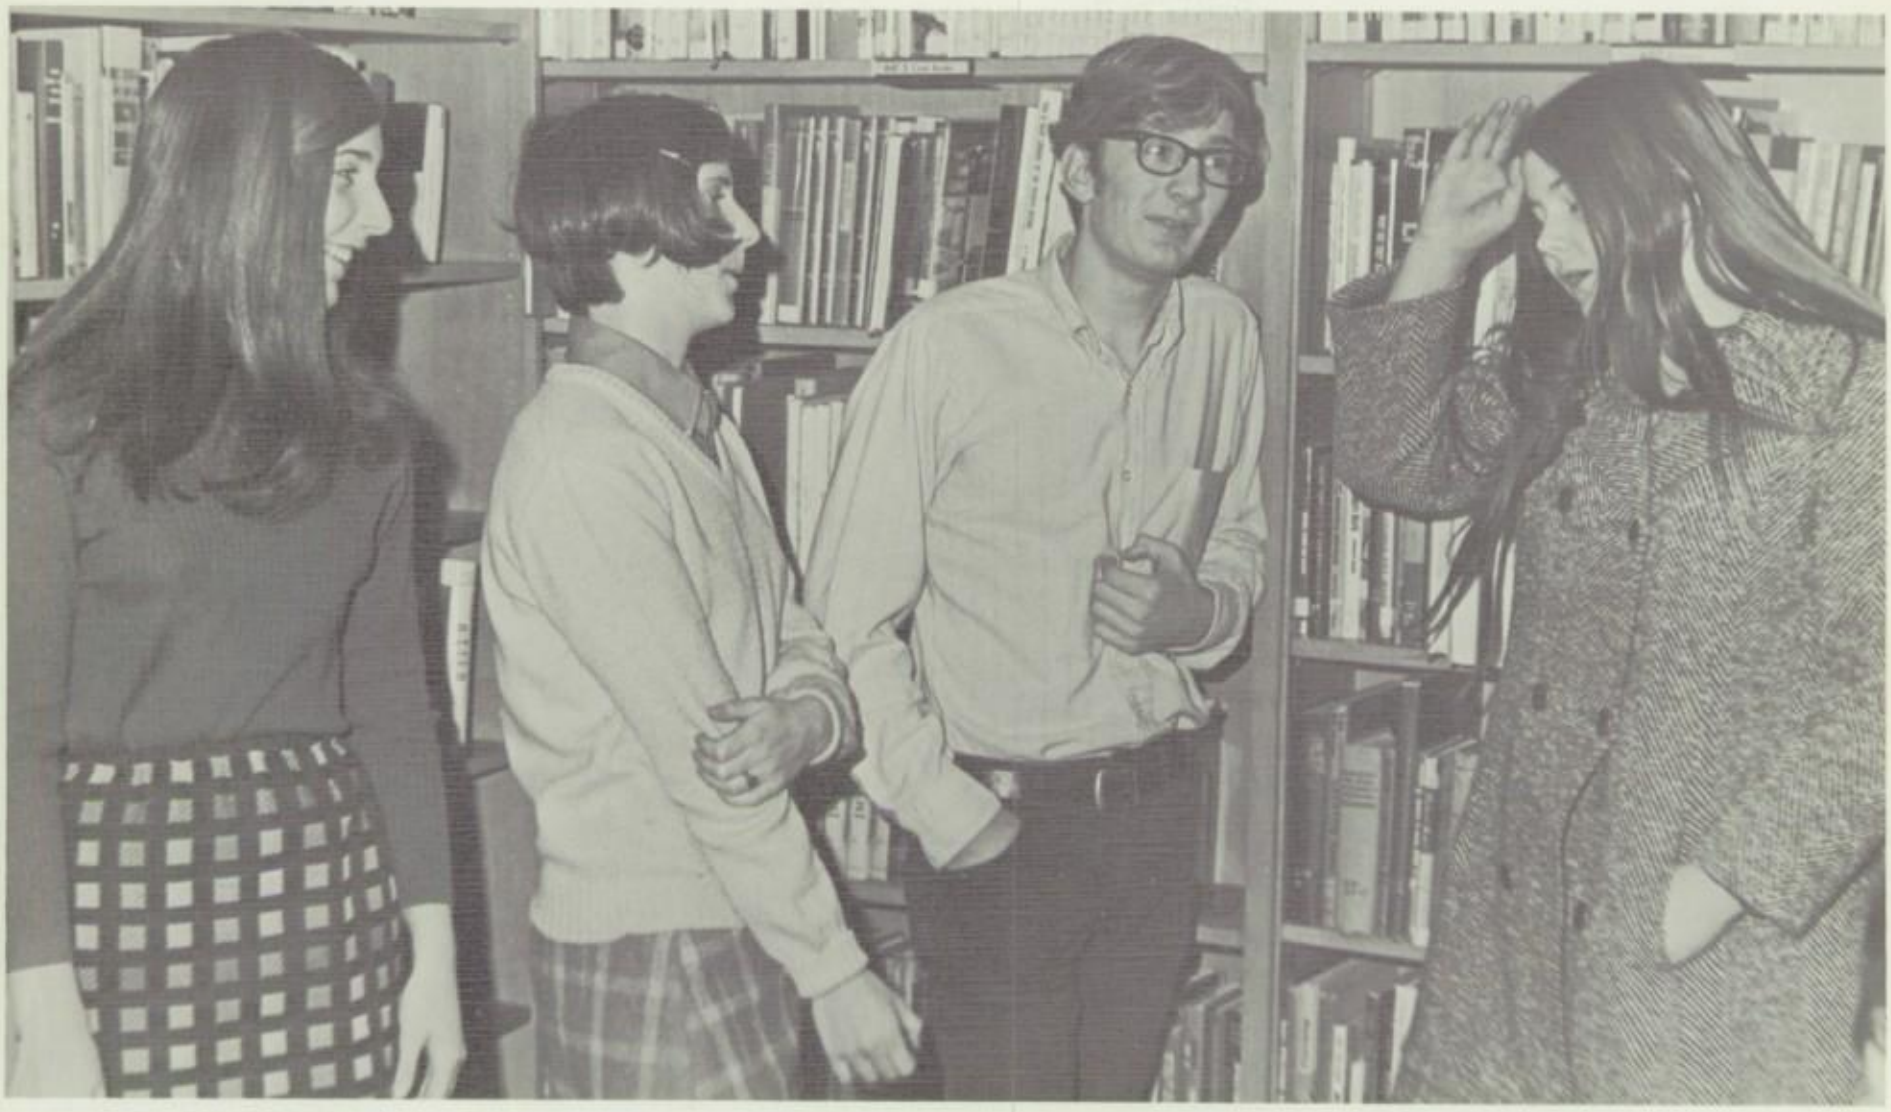
Left to Right: Jenny Luttrell, Fred Zacher, Bob Sota, H. Davidson, Gary Olin, and Paul Wacher.

Junior Achievement was more than just a club. It was a corporation run by the students. They were in it to make money, or at least break even. The members ran their corporation just like any real business company by selling stock, producing products, and then marketing them.

Tuesday evening

The Attic group met on Tuesday evenings for prayer and discussion. The whole thing started two years ago in Sandy Kox's attic, when some kids decided that they would like to relate closer to the Bible. At their meetings they read passages from the bible and sang songs.

Youth Center



Left to Right: Carol Fall, Jan Koranda, Keith Carley, and Laura Carley.

This year Youth Center changed its tradition of being open every Friday and Saturday night. The board members decided that not enough kids were interested in coming that often. To make Youth Center more interesting they sponsored big name band concerts, such as Mason Profit and the American Breed.

Youth Jury

Back, Left to Right: Bob Holland, Katy Doering, Debbie Russell; Front: Steve Tracy, Ken Johnson.

Youth Jury was organized to give kids a second chance after committing a misdemeanor. Because of this chance, the people involved will not be given a police record.

To be subject for Youth Jury a person must be under 17 and agree to accept the verdict given to them by the jury. As a punishment the jury assigns work hours of service to the young.

Young Life

Front: Dave Bere, Mary Kennedy, Bob Dudenhausen, Debbie Melvin. Second: Lisa Palmer, Lynn Bere, Cindy Boldebuck, Sue Sexton, Sue Kennedy, Margi Bates, Liz Mack, Carol Faletti. Third: Pete Bylsma, Al Fiorentino, Craig Bouchard, Doug Sullivan, Bob Barr, Kirk Quackenbusch, Tom Tilson.

Young Life in Hinsdale dates back many years. It is not a club in the traditional-pay your dues-type. It is actually a gathering of kids one night a week in a friend's home for general uproar. No one is obligated to come, and everyone is invited. The club lasts for about one hour, and consists of singing, skits, discussion, and a short talk by the leader.

It is hard to explain why people are so taken by Young Life, or why they come. Each individual has his own reasons for coming, and each person leaves with a glimpse of himself.

Concert orchestra had high standards in 1971

The Concert Orchestra: Kathy Antosh, Bernadette Cihak, Cara Filippi, Jan Gaiz, Robert Gasper, Vicky Holmsten, Raoul Lamp, Sarah Lynn, Martha Shipman, Sue Wilson, Terry Gasior, Barbara Hobbs, Mary Peterson, John Pokornik, Joe Stafford, Pam Tillinghast, Brian Torff, Vera Vagen, Tom Vogel, Carol Bair, Cindy Cotter, Kirk Dillard, Gina Fillippi, Gail Hibbert, Amy Jackson, Jill Jefferson, Debbie Lang, Lewis Larson, Carole Mesrobian, Bruce Mikols, Jerome Neurauter, Jim Sedares, Libby Shipman, Dave Tetenbaum, Craig VanZanten, John Vonesh, Paul Wascher, Dennis Waters, Dan Weaver, Chris Wolffram, Mitch Arens, Rita Dunham, Richard Eggers, George Francis, John Girton, Leslie Gries, George Hrynyszyn, Micheal Kapp, Tom King, Jeff Miller, Joe Pokornik, Daina Sienas.

One string group was rated as superior, and a string trio, a bass oboe solist, and a string quartet were rated as excellent.

The High Notes in 1971 did a full time job of being Hinsdale Central's official entrepeneurs. In addition to competing in two jazz festivals in Illinois, the High Notes also performed at all pep assemblies, variety show, guard show, the Dad's Day Breakfast, concerts, and several fashion shows. Receiving more appreciation, experience, and variety in music, the High Notes learned a genuine admiration for music and original music composition such as expressed by Santana, Chicago, Buddy Rich, and Woody Herman.

Girls ensemble entertains audiences for 3rd year

Boys Quartet works in a team to give the old barbershop numbers new excitement. The quartet succeeded in delighting many audiences in the past with their humour and talent. The members work out their own numbers with little outside help. Girls Ensemble, Boys Quartet, and Madrigals took firsts in IHSA singing competition as well as eight soloists.

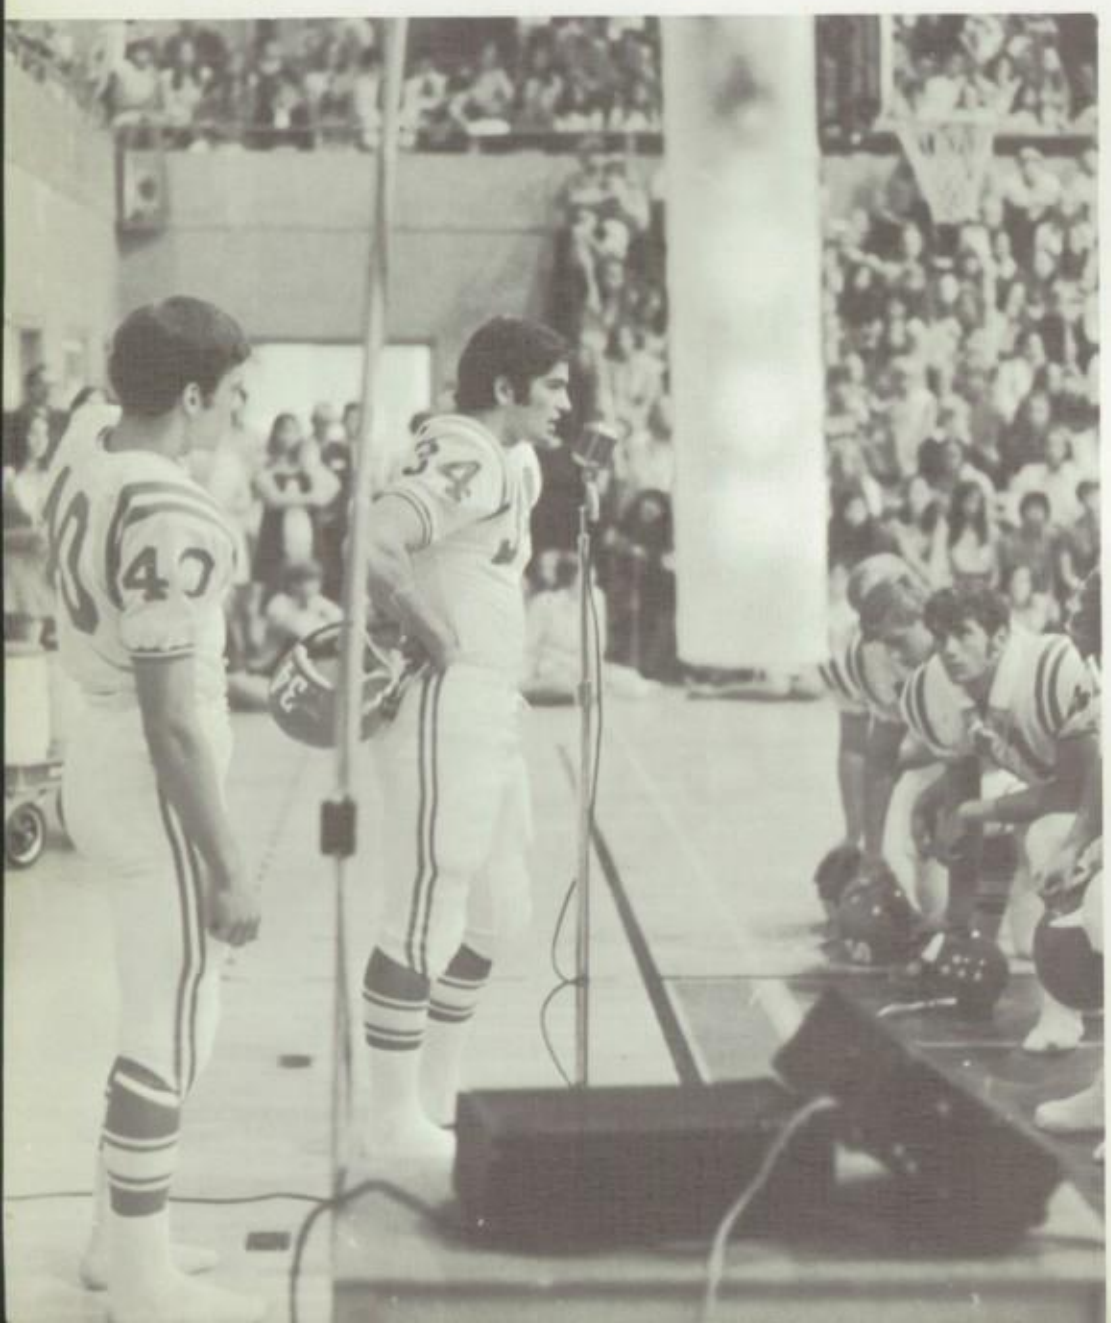
Hinsdale starts strong with victory over Evanston

Co-captains Jeff Gabriel and Al Fiorentino are getting those lights lit.



Despite the fact the Red Devils had only 13 seniors, Gene Strode led them to a 6-1-1 record for the second consecutive year. This, once again, was good for a second place finish in the conference. In both years a let-down against what appeared to be a weaker team cost them the championship.

Hinsdale's victory over first-ranked Evanston was the high point of the season. This was a long awaited game between the two state powers. Co-captain Al Fiorentino led the Devils to a 28-12 victory, scoring three touchdowns and playing a solid defensive game.

The Devils broke the record for most points scored in a game against Maine with 65. Junior Pete Bylsma broke the pass reception record with five receptions for 103 yards. Co-captain Jeff Gabriel set a new mark with an interception and run-back of 55 yards. Hinsdale, guided by junior quarterback Jim Flynn, also set a new total offense record with 576 yards against the Maine East Demons. The defensive backfield missed the interception record by one with a total of 16 steals. Hinsdale also led the conference in both offense and defense.

All-conference selections were Al Fiorentino, Jeff Gabriel, junior Bob Hardig, John Wheeler, Jim Gajda, Dave Guess, and Dave Sparks. Fiorentino received All-area and All-state honors and John Wheeler was awarded honorable mention for all-state.

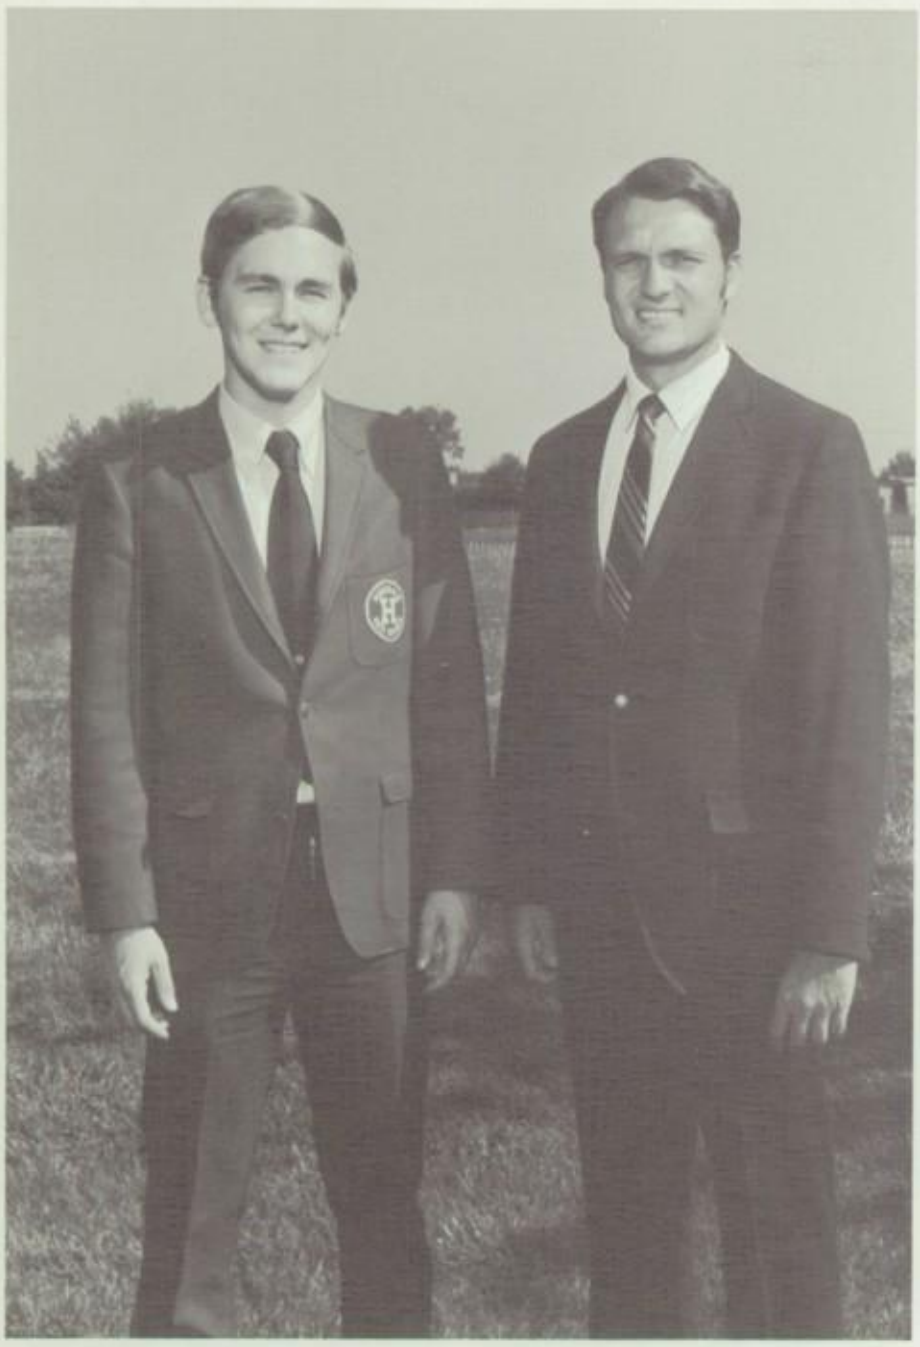
Harriers out of cellar first time in three years



Head coach, Gary Charneia, and Frosh-soph coach Ron Murrison.

Spurred on by new head coach Gary Charneia, new frosh-soph coach Ron Murrison, and led by captain-most valuable Tom Eckel, co-captain Bob Wulff, and Conrad Truedson, the Red Devil Harriers left the W.S.C. cellar for the first time in three years.

With a 1-6 record, they placed seventh in the conference which was identical to the placing in the final total conference meet. The frosh-soph runners finished with a record of 0-6-1 and seventh place in the W.S.C.

The top three harriers were followed by senior Jim Mitchner and juniors Cal Lebeck, Wayne Lorek, and John Truedson. Eckel, Wulff, and Mitchner are graduating, but record-breaking sophomore, Mark Collins, John Frymark, Tom Sobottk, Peter Perkins, and Dean Devorac make the future bright for our Harriers in what Coach Charneia called the toughest of all conferences.

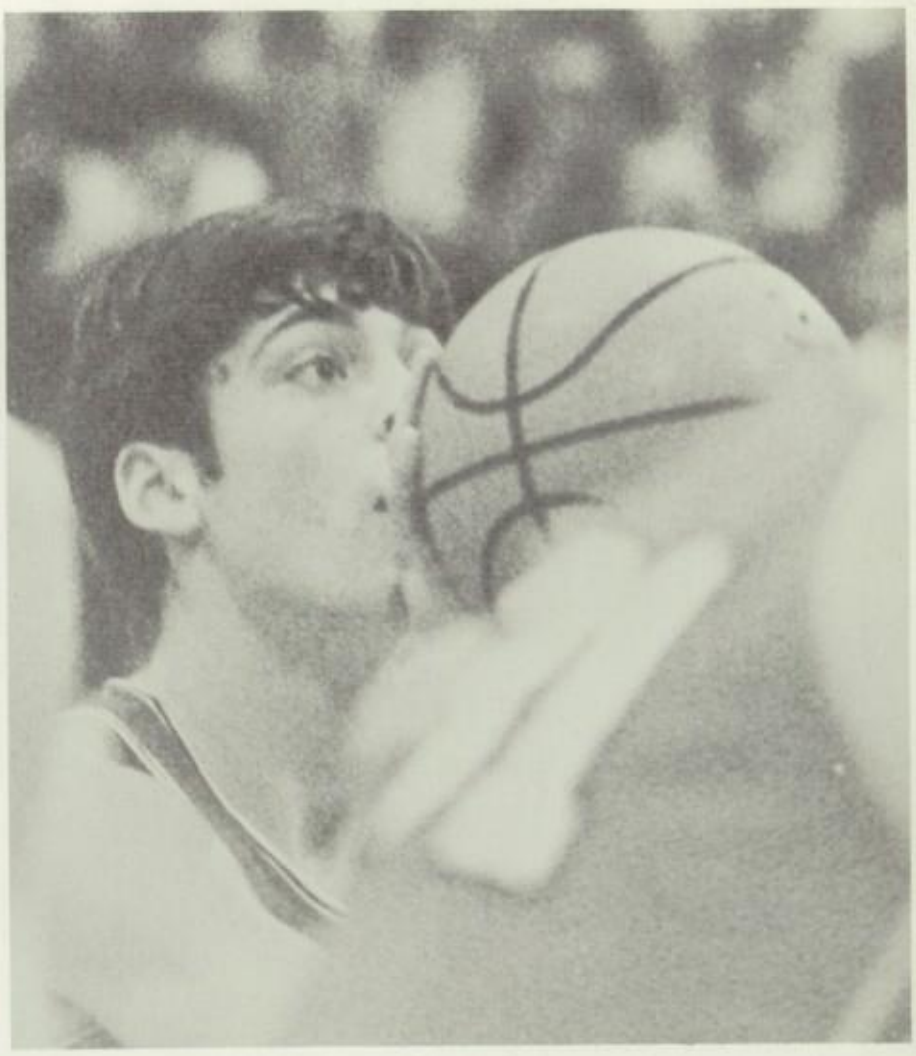
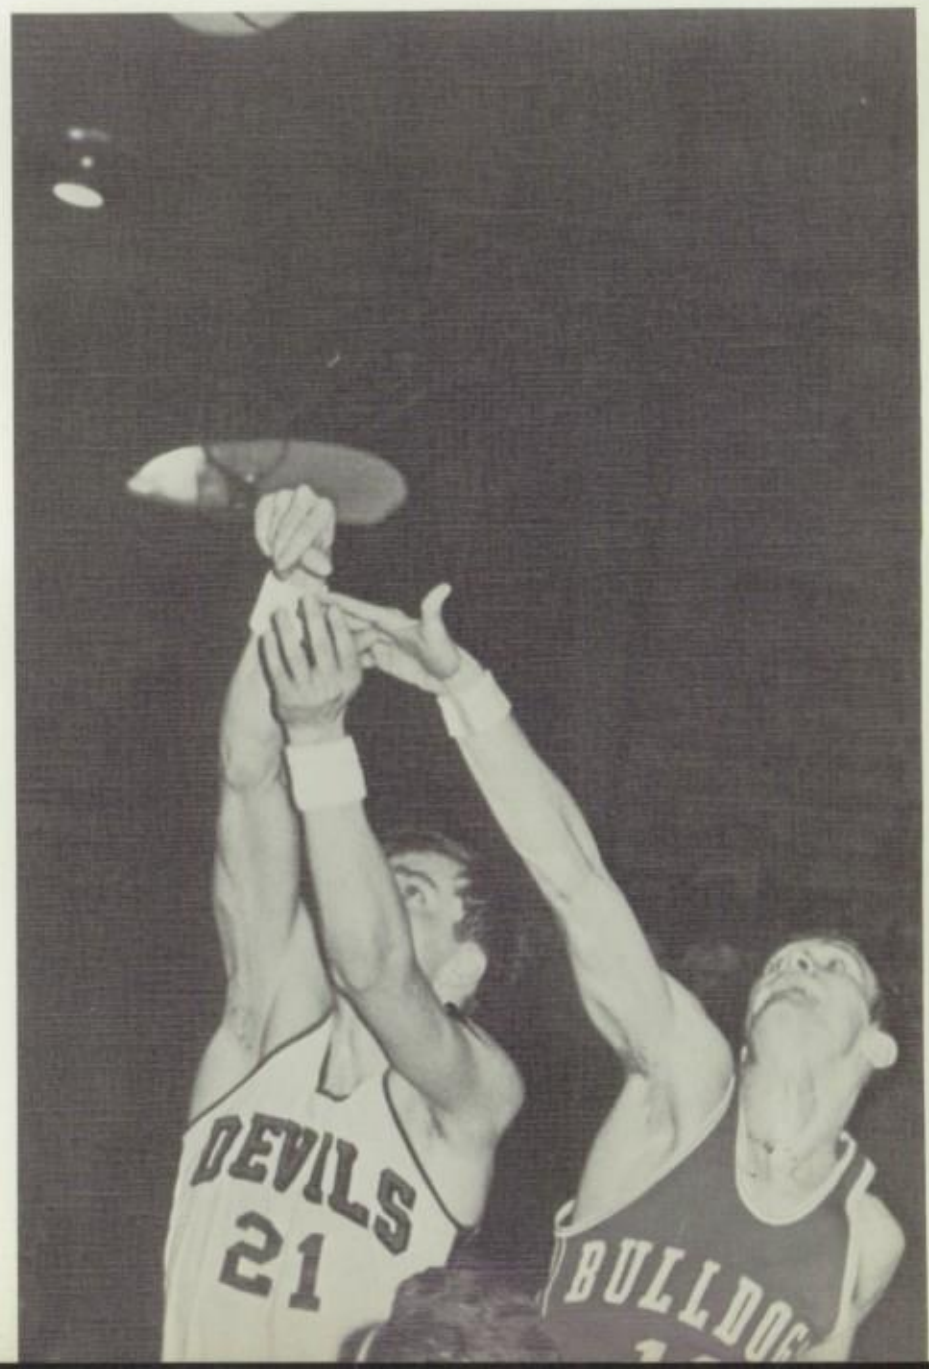
Devils take second in WSC, but they try harder

The Hinsdale bench sweats through a tense moment.



"Gabe" concentrates on making another one pointer.

Rob Meyer whips up another two points!



The "Big Red Machine" established itself this year as a power to contend with in the WSC. Coach Ken Johnson's Devils had a great season as they compiled a 19-5 record overall and a 12-2 record in the WSC, good for second place.

After a loss to LT in the conference opener, the Devils picked up the pieces and went on to score seven victories in a row, climaxed by taking the De Kalb Holiday Tournament. In the final game De Kalb, with the home court advantage, threw quite a scare into the Red Machine. After three O.T.'s, some help from the bench, and some real clutch shooting they pulled it out 73-71.

The team lost the next few games. then turned on the power and took the rest of the regular season games, including a big home victory over LT!

Again they were up for the first round regional tournament. Reavis was the first challenge and the Devils met their semi-stall with a press and a series of fast breaks which broke the game open. The final score was 94-44. Central's state hopes were ended in the second round by Oak Lawn.

All conference selections Jay Skulborstad, Jeff Gabriel, and Rob Meyer led the Devils this year. Reserves who contributed were Jeff Payne, Bill Alberti, Howard Huff, Steve Cunat, and Bob Wulff.

Scott Spiker fires over his York opponent.

The Imps guided by Coach Jarom battled to a second place finish in a tough well-rounded WSC race. Their record was 10-4 in conference and 12-4 overall. Greg Spannuth paced the sophs with 302 points. He also led the way on the boards with 204 rebounds. Scott Spiker improved enough from freshman year to merit a starting position most of the season. Other consistent players were Corky Larson, Kevin Shean, and the two frosh Chuck Fritz and Bob Biesendorfer.

The frosh A squad coached by Jim Meyer and hurting from the loss of Chuck Fritz and Bob Biesendorfer to the sophomores, managed to attain a respectable 5-5 record in the WSC, and a fourth place finish. The team was led by Dave Lewis with a 10.9 average. Center Scott VanAlsberg led the team in rebounds. Rounding out the top five were guard Bruce Danly and forwards Bernie Oosting and Jay Paine. Overall they were 7-11, but nine out of their 11 losses were by six points or less.

Coach Witt's B squad paced by Bruce Scott, Scott Miller fought through a tough schedule and ended on a happy vote as they speared Glenbard West 68-47 in the final game.

Coach Tony Canino and team captain Bob Anderson ponder team scores.

The Hinsdale gymnastics team was the best high school team in history. Their average dual meet score was 142, outdistancing other teams in state by 10 pts.

They won the Waukegan and Maine East invitationals by substantial margins and came in second to Hersey at the Evanston Invitational losing by .06 points. They won state meet—beating the next highest team, Hersey, by almost 100 points, when they compiled the all time high score of 226.5 points. They worked 4 to 6 hours a day and hit routines—that is the name of the game.

Some gymnasts stand out more then others, such as Bob Anderson, who is the best all round, HT has ever had. Bob placed third in free-ex, second on high bar, second on rings, and first in all-around in state meet. Vranek, HT's second best all-around man, placed fourth in all-around in state with an 7.5 average. Ronnigan placed fourth on rings with 8.6, by far his finest performance. On parallel bars, HT's strongest event, Jerry Barnes scored 8.4 for a fifth place, Craig Kronenberg placed third with an 8.55 and Marty Meyers won with a 9.05 and executed his best routine ever. On high bar Kronenberg placed tenth with a missed routine, and Anderson placed second scoring 8.75. Marcy, the only junior competing on the squad, and executing a set of Olympic caliber, won sidehorse with an astounding 9.25; Ted averaged above 9.0 all season. In free-ex, Dave May placed sixth with 8.45 and Randy Hartonov placed fourth with an 8.50.

The frosh soph squad stood out as the best sophomore squad in Hinsdale history, having won the Wheaton Central invitational, the Waukegan invitational and the conference championship, and going undefeated in dual meets.

Tom Lytle and Tom Corrigan were neck and neck all season for the honor of working all around in the meets. Both of them stand the chance of being of Bob Anderson caliber.

Doug Wood is potentially the best ring man Hinsdale has ever had. Steve Shepherd is very strong in free-ex and tumbling, next year he should fair well in state. Jack Fischer and Dean Hartley rounded out the all around events making our competing team composed almost of all around men. On sidehorse, our traditional strong event, Tony Hanson, Kurt Rogers, Mark Spacco, and Karl Walters all showed strong in the most difficult event. Dave Dodge has great potential on trampoline as does Shepherd, but this was a definite weak event.

The freshmen squad, as well as the soph and varsity, was the best yet. They won the Rich East and Hinsdale invitationals, and went undefeated in dual meets. The two all-around men, Jim Erwin and Pat Gunning are the strongest freshmen we've ever had. These two fine performers made up the backbone of the team and were worthy of wearing the Red Devil uniform.

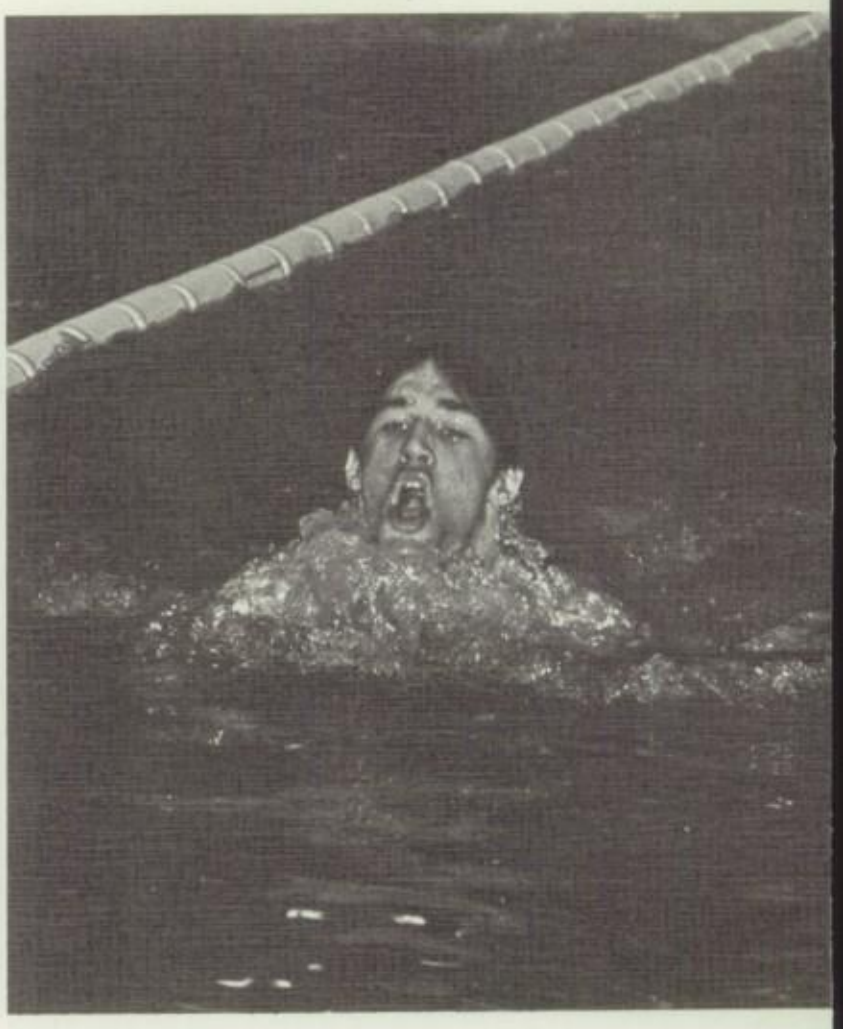
Hinsdale swimmers hold three national records in 1971

Hinsdale cheering section at state meet.



John Murphy does a little breaststroke.

Last year's performances made Hinsdale Central "First in Nation" for the year 1970. However, not to be out-done, the year 1971 produced what might be Hinsdale's best year ever in swimming.

In the fall, several individuals gained recognition for their accomplishments. Mark Lambert participated on foreign trips to the Far East and Israel. Hinsdale mentor, Don Watson, was named to the National Coaches Association's "Coach of the Year - 1970" award, for producing such noted swimmers as John Kinsella, the 1970 Sullivan Award winner.

As in the past four years, the season pointed towards the state meet, and the rest of the season was used to prepare for it. Along the way, led by co-captains John Murphy and Mark Lambert, the Varsity added 11 more dual meets to the string of 65 which extends back to 1965.

Through districts, Hinsdale qualified 17 individuals and 2 relay teams to the state meet the next weekend at Evanston. This meet will best be remembered as "Hinsdale vs. the World," as a partisan crowd made their presence known. The day was a disappointment for some people, especially Jim Haffner and Mark Lambert, as they both failed to defend titles they had won as juniors. The highlight of the meet was John Murphy's national record setting time of 52.4, in the 100 back.

The final point standings showed Hinsdale receiving 280 points, setting a new record and beating the combined totals of the teams which finished second and third. This year's champoinship extended the string to five straight, tying a record and firmly establishing Hinsdale as a dynasty.

Under the tutelage of first-year coach Bob Teichart, the freshman and frosh-soph teams went undefeated. The freshmen won both the Thornridge and Hinsdale Central Invitationals with record point totals. The sophomores went undefeated, 11 - 0, in their dual meet season and won their conference title. Top performers such as Scott Gorrell, Peter Lauritzen, Mike Capek, Jeff Pontius, and others will help fill the spots left bare by graduation.

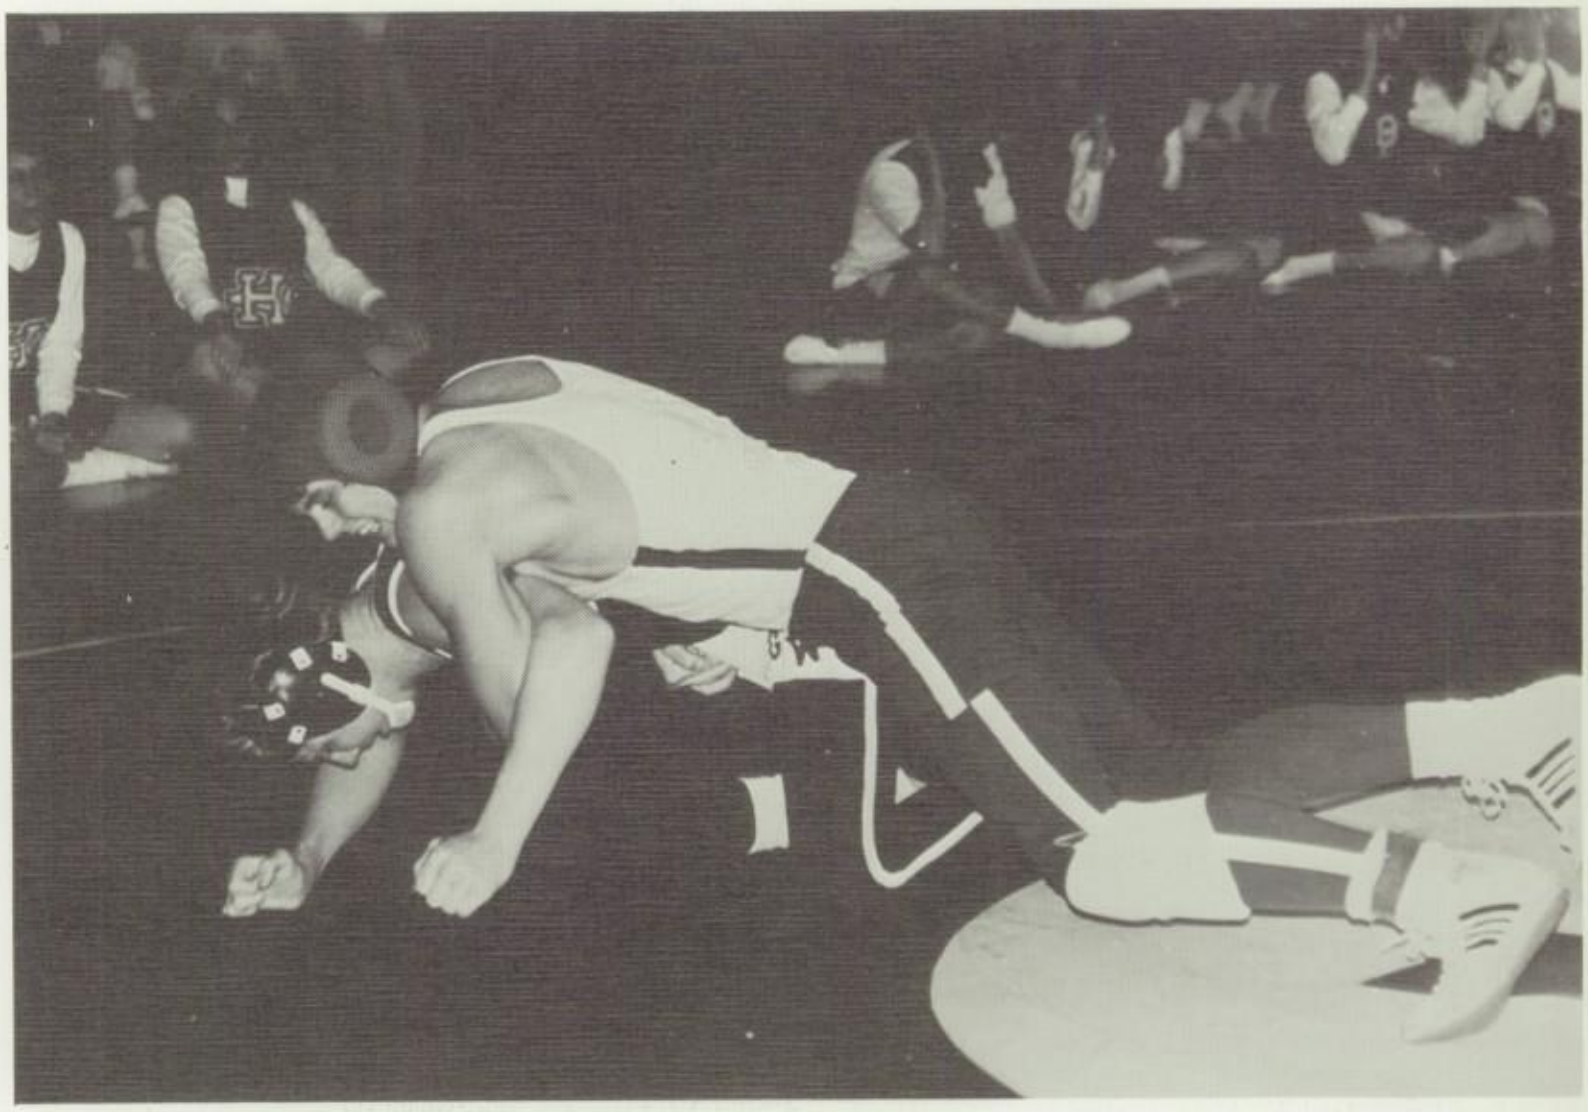
Dave Sparks takes third in state at 185 lbs.



Dave Sparks works on his Saturday night technique, and scores.

The Hinsdale matman ended the season with a five hundred average. They had seven wins and seven losses. The conference championship went right down the wire again between LT and Hinsdale.

The grapplers had to defend their district championship at LT. The meet was decided at the championship match at 185. The score was Proviso East 73 Hinsdale 70. Then Dave Sparks pinned the Proviso wrestler, thus giving Hinsdale a 74-73 edge over Proviso and giving Hinsdale its second district championship in a row.

There were five wrestlers who advanced to the sectionals. They were Bill Poole, Karl Schoenberger, Bill Flyte, Dave Sparks, and Dave Guess. Only Sparks earned the right to go down state.

Supported by the eleven senior men in room 411, Dave opened up the tourney with a great upset. He lost in the semifinals but wrestled back for a third in the state. Dave only had two losses all year. He lost to the grapplers who took first and second in state.

Dave Sparks, Bill Flyte, and Captain Bill Poole won all conference awards. All three of them didn't lose a conference match all year. Bill Poole only lost one match in the conference, in the three years he was on the varsity squad.

Missing, Bart Marquardt, Bob Brach.

Frosh: The freshman squad went without the taste of victory all season. They had a record of 0 wins and 8 losses. The only bright point of the season was the 185 pounder Neil Ferrier getting a first at the quadrangular at Downers Grove.

Soph: The sophomore squad ended up with a 500 average. They were 4-3 in the conference. That was good enough for 4th place in the conference. The sophs surprised Thornton and Carl Sandburg in winning the triangular. Hinsdale hosted the first sophomore tournament. The grapplers emerged with a second out of the eight teams. Rick Gutzke took the only first on the team at 132. Rick also ended up with the best record with a 13-4 mark. Bob Leff led the team in pins with 10 out of 10 wins.

Hinsdale's varsity baseball after rough '70 season, looked forward to a more successful 1971 season. With five returning lettermen, Craig Bouchard, Al Fiorentino, John Benton, Jeff Gabriel and Bob Thomas and fine junior talent in Jim Flynn, Joe Duroucher and Tom Dingle for a better crack at a baseball conference chance.

Hinsdale has a rough baseball conference especially for a freshman baseball player, Hinsdale has never had a winning season, never won a conference. Traditional tough schools like Proviso West and LaGrange were in for a surprise in 1971 said Frosh-Baseball coach Gary Sulaski. In 1971 the freshman baseball team had more depth than any other freshman team in the past five years.

Varsity Golf Team, First Row (L to R): Sam Fleager, Jeff Lawton. Second Row (L to R): Steve Richmond, Steve Penman, John Malin, Don Parsons, Coach Charlie Meyers.

Golfers go for lowest score possible on course

Eight to ten fine players made up the varsity golf team. Their average score for 18 holes was 80. The boys practiced and held home meets on the Hinsdale Golf course and the Ruth Lake course. During a practice session the members of the team were instructed by the team coach, Mr. Charles Meyers, then they each played a round of golf.

At a meet the five top players of the team played. Only the lowest four scores were counted. The scores compiled by the players were added to make the team score. This was the important score and told who won the meet.

The frosh-soph team was coached by Mr. Paul Halac. Their average score was 89. They practiced daily with the varsity team.

Outdoor Track Team, First Row (L to R): Jeff Bocek, Mike McShane, Steve Bratton, Terry Gasio, Don Veronica, Bob Hardig, Joe Menza, Tom Eckel, Chip Heady, Conrad Truedson. Second Row (L to R): Howard Huff, Bob Wulff, Steve Offerdahl, Doug Heil, Jim Mitchner, Dave Polkow, Bill Munro, Bob Schultz, Jim Lipshultz, Paul Offerdahl, Barry Cesafsky.

With coaches Gary Charneia and Bill Mills, Hinsdale's outdoor track team had a promising season. Led by hurdler Dave Polkow, sprinter Bob Hardig, and miler Tom Eckel, the track team made a good showing. Many of the boys on the team worked from fall to spring, beginning with cross country in September.

The Varsity Indoor Track Team: First Row (L to R): Bob Hardig, Conrad Truedson, Mike McShane, Don Veronica, Jeff Bocheck, Jay Wright, Tom Eckel, John Truedson. Second Row (L to R): Doug Heil, Steve Bratton, Bob Schulz, Jim Lipschultz, Bill Monro, Dave Polkow, Steve Offerdahl, Barry Cesafsky, Joe Menza.

Led by the long-jumping, hurdling, and sprinting of Dave Polkow; the high jumping of Bill Monro; the sprinting of Bob Hardig; and the distance running of Tom Eckel, the 1971 indoor track team made several excellent showings this year. These included a trouncing of Wheaton Central and a promising sixth place finish in the conference meet. The highlight of the meet was a second place finish by the 880 relay team, only one tenth of a second off the winning time. The performances turned in by the aforementioned group signifies the finish of a long dry spell in the history of Hinsdale track.

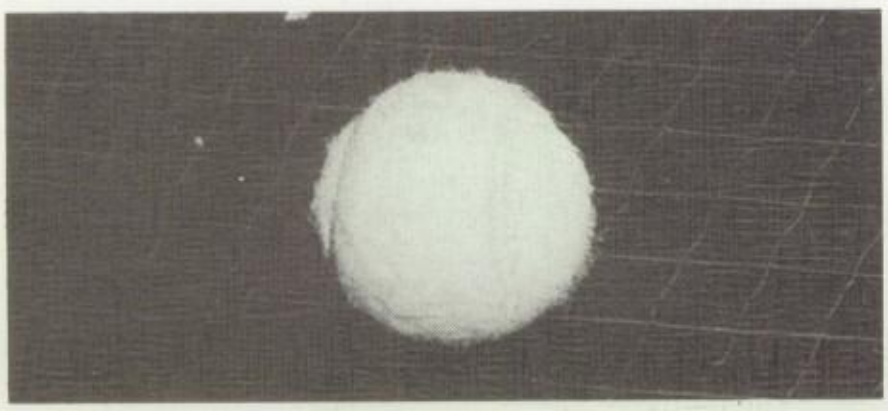
The varsity tennis team in 1971 was rated by Coach Jay Cramer as third or fourth in state. During the 1970 season, the varsity lacked depth. However, in 1971, four senior lettermen, Doug Sullivan, Tom Tillson, Dave Bere, and Jack Peters returned. A large colony of junior men and one sophomore, Tim Matacio, rated number three on the varsity team, rounded out the 1971 varsity tennis team.

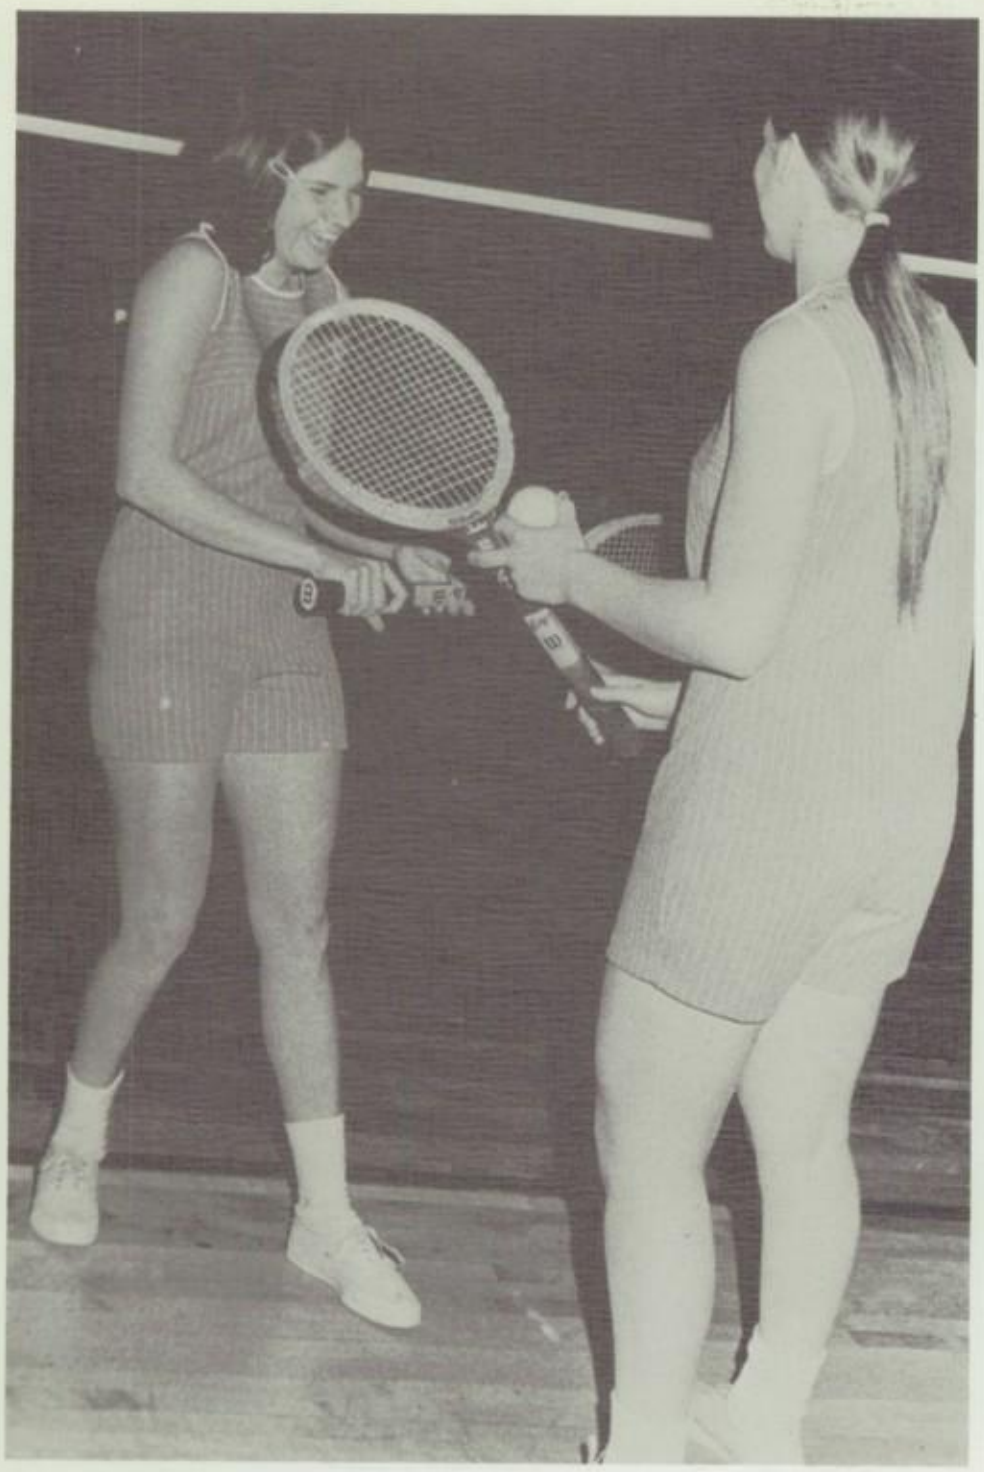
Last year, in the 1970 season, frosh-soph teams went 13 and 0 undefeated under tennis coach, Jack Sartore and believed they could repeat their performances in 1971 taking conference. In the words of Coach Sartore, "We have a lot of talent and a good shot at conference."

Girl's Tennis Team takes first in conference

Girl's Tennis Team (L. to R.) Standing in Back: Nancy Prentice, Debbie Whiteford, Cathy Girton, Helen Dann, Mary Shea, Robin Heatherington. Sitting On Rock: Monique Troglia, Vicky Skinner, Connie Pierce, Sally Smith.



The Girl's Tennis Team of 1970-71 had one major goal: to win conference. They accomplished this with a record seven wins and one tie. They considered LT their toughest opponent. Practice was every Monday after school. For games they wore traditional tennis dresses. The coach was Mrs. Palowski.



We really got them that time, Deb!

With the net behind her, Debbie Whiteford continues to baffle her opponents with her style of playing tennis.

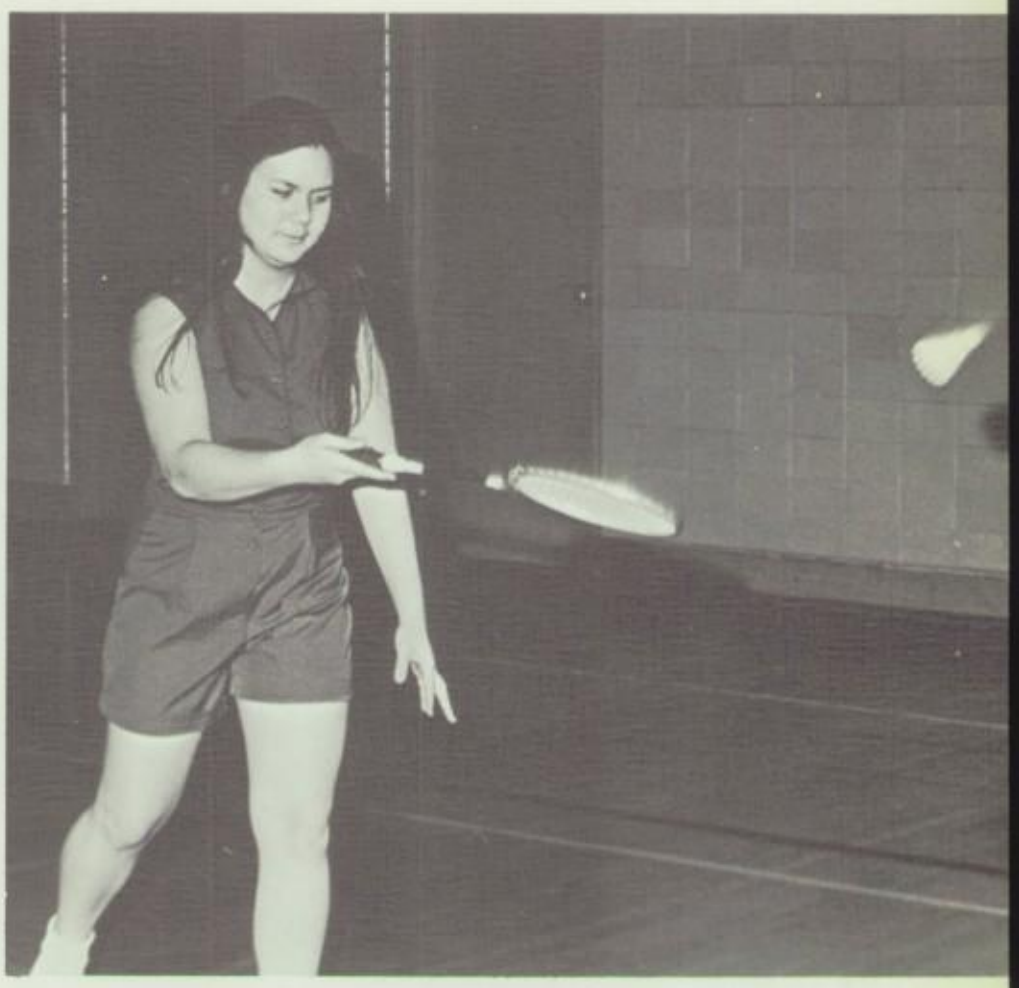
Another season went by for the Girls' badminton team; as usual they did well. The girls practiced twice a week by challenging each other for top positions. Then on Tuesdays and Thursdays, they battled against other schools in the district for a first place rating.

Coach Dickenson stands in awe as Deb wacks the birdie.

"Wow, what a shot!" "I don't believe it!"



Donna can't remember whether the birdie is coming or going.

"Hey", Sandy asks, "was that a birdie or a baseball?"

Under the determined authority of Debbie Whiteford and the spiking of Nancy Prentice, girls volleyball this year was a competitive activity with the spirit of team attack. With the unnerving sight of cut female elbows and knee protectors, HT's girls volleyball team took second in the Riverside-Brookfield tournament of eight teams.

The school year was full of many new changes for the cheerleaders. First, the varsity squad attended a cheerleading camp last year. The result was that they developed a new style of cheering. Secondly, in the fall the girls sold stationery to earn money for new uniforms. These changes didn't change the fact that the cheerleaders were the origin of Red Devil Spirit throughout the year.

Pom-pon girls model Bonwit Teller creations

Under the leadership of a new sponsor, Miss Nancy Lamparter, the Pom-pon squad worked harder than ever before on the routines - an average of six hours per week. In the Fall, they bought new Pom-pons and sold Heath bars for the band. The band plans to take the squad to Virginia Beach after school's out. In February, the whole squad modeled in a Bonwit Teller fashion show to raise more money for their trip to Virginia Beach.

New additions to the Hinsdale cheering sections were the Yell leaders. The girls were chosen by a group of teachers on the amount of spark and pep they effused. Cheering at wrestling, gymnastics, cross country, track, and swimming the Yell leaders made Hinsdale's presence known.

Left to Right: Jan Koranda-vice-president, Ken Cozette-treasurer, Chris Pletcher-social chairman, Bob Huff-president, and Randy Hartanov-social chairman.

The class of 1971 had a class board that was organized at the top but that, according to President Bob Huff fell apart at the bottom. Turn-out for the wrapping paper sale and Christmas hall decoration was light and the existence of a prom was in doubt until the last minute.

The seniors placed third with their Homecoming float called "Are They Soup Yet?" Their sport for pep week was gymnastics and "The Great Race" was their movie of the year.

Dunkin' doughnuts earn money for junior class

Left to right: Judy Davis-secretary, Sharon Hadley-treasurer, Bob Mortimer-president, Patty Shewalter-vice president, Skye Creed-social chairman.

"When You Bring Out the Hellman's, You Bring Out the Best," said the class of 1972 with their second place Homecoming float. Also earning second place awards for the juniors were their hall decorations illustrating the ABC's of Christmas and their efforts in the Key Club soap drive.

Among the class's money making projects were sales of gold pocket calendars and dunkin' doughnuts. The girls of the class held their annual formal in December and the whole class picknicked in the spring.

Sophs take #1 honors in class competition

Left to Right: Karen Cecil-secretary, Sue Mack-treasurer, Tim Scott-president, Peg Korty-vice president.

In the words of sophmore class president Tim Scott, "We have the best class." Whether this is true or not can be debated but in the 1970-71 school year, the sophomore class was certainly one of the most spirited. Their class won, in order, the best class Homecoming float with the Heinz five flavors theme, the Christmas hall decoration competition with the "Peace" theme, and the Key Club soap drive. Their candy and '73 shirt sales netted them a healthy profit and in community service, they decorated the children's ward at the Hinsdale San for Easter.

Frosh lack in experience but make up in spirit

Carol DeGiso-treasurer, Liz Mack-social chairman, Jim Hoover-president, Carol Clarke-secretary (Vice-President Margie Bates is not pictured)

"The frosh class board is insane,"—a common complaint, but an unfair one. The freshmen are traditionally the babies of the school, with almost no success behind them and all their failures ahead. But enthusiasm makes up for their lack of experience. Despite disorganization early in the year (their float burned), the freshman class board strove for improvement as the '70-'71 term passed. After a disappointing fourth in Homecoming float competition, they received third in the Christmas hall decoration and during Pep Week supported HT's wrestlers with their prisoner of war theme. Through various candy sales and related efforts the class raised money for their future projects.
